## PLACEMENT & CAREER DEVELOPMENT CELL

### SI-UK Webinar Report

On 12<sup>th</sup> January 2024, the Placement and Career Development Cell and Team NAVERA, in collaboration with SI-UK, hosted a webinar on “Study Abroad in UK”. The event commenced at 8:00 PM and featured Jatin Khurana as the esteemed speaker. This event garnered active participation from over 100 students, who joined via the Google Meet platform.

The webinar commenced with a brief introduction to the UK and why it's a great place to study. The participants got a glimpse of university rankings. Given the audience comprised undergraduate students, the focus was on postgraduate courses, especially in popular subjects like law, economics, commerce, botany and sustainability, etc. The speaker also simplified the UK grading system along with its Indian equivalent grades, was provided and also navigated through the diverse array of scholarships available.

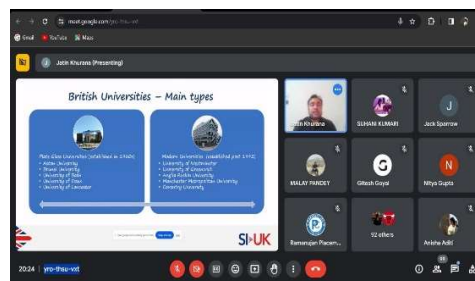

### TOPICS COVERED IN THE WEBINAR

Details regarding the minimum IELTS band, potential waivers, and the documentation needed were thoroughly covered. The speaker laid out a timeline for things like IELTS coaching, exams, applying, getting offer letters, and visa applications for both September and January intakes. The speaker shed light on the amazing student life and job opportunities in the UK.
