Mission Vriksha <missionvriksha@gmail.com> to me Wed, May 15, 2019, 2:09 PM

Warm greetings from Mission Vriksha!

What is "Vriksha"

Derived from the Sanskrit terms Vriksh (meaning tree) and Raksha (meaning protection), it is a dedicated program that empowers the individuals who call Delhi NCR their home, to contribute and increase the tree cover of the city by planting and nurturing a tree.

Who are we

- We are group of college students who decided to shoulder the responsibility of making Delhi NCR greener and cleaner. When we arrived in Delhi University from our native states, such as North-East, Uttarakhand and Himachal Pradesh, we realized that the lack of green cover is the leading cause of rising temperature and pollution within the area.

What we do

- We are giving the power to determine the future to the youth of tomorrow. We are also creating a legacy for student-led action and initiative amongst the youth of today that they can pass onto their future alumni.

Plan of action

- Currently, we have student volunteers within renowned colleges of Delhi University like, Indraprastha College for Women, Lady Shri Ram College, Miranda House, Daulat Ram College, Hindu College, St. Stephens College, Sri Ram College of Commerce, Gargi College, Lady Irwin College and many others.
- Student volunteers from these colleges have planted a tree in each of their colleges, where they have pledged to ensure the growth and safety of the tree. As the
