to Placement

Dear Placement Team,

We are in the process of recruiting excellent students for below mentioned roles from your esteemed college. It will be a pleasure for us to initiate this partnership with you.

Job Description:
Our firm is growing at a rapid pace, we have clients around the world and we are currently looking to hire fresh graduates for the below position.

A brief about the company:

Almora (7KREINTO PTE. LTD) is a multidisciplinary team of entrepreneurs, innovators, investors, and operators which is committed to helping clients achieve immediate impact and a growing advantage on their most mission-critical issues. Our clients are based around the world. We turn ideas into businesses and we invest in the outcomes together with our clients. Our team, which lives and breathes blockchain, works with companies as a mentor throughout their journey from conceptualization to launching a successful product to building a sustainable business venture.

We are currently expanding our team in Gurgaon. We're well known by our products - Almora.io (<http://almora.io/>) and the United Conference of Internet Money (UCIM) <https://www.ucim.io/> - a conference that we organized in Singapore in Nov 2018. Our next international conference is planned within the next 3 months. Be rest assured that you'll be working with a fast paced startup looking to make a significant impact in the blockchain industry, and have tremendous learning (and fun!) along the way.

Please go the job profiles below. If you're interested to take this forward, you may call me at 9873425700 any time tomorrow.
