India's Biggest Recruitment Fair launched with 4000+ internships

AICTE & Internshala <university.relations@internshala.com> Unsubscribe to me

Mon, Nov 11, 2019, 10:17 AM

Dear Prof. Prakhar Wadhwa,

Hope you are doing well.

We are happy to inform you that AICTE & Internshala have launched India's Biggest Recruitment Fair. In this fair, the students will get a chance to intern with a company for a duration of 4-6 months, and based on the performance during the internship, they can convert the internship into a full-time job.

Key highlights of the fair are-

- 4000+ Internships with Job offer in all major categories - Engineering, Management, Media, Graphic Design and more
- Highest CTC up to Rs. 15 Lac per annum and minimum CTC of Rs. 3 Lac per annum on the conversion of internship to job
- Participating companies - Caterpillar, Tech Mahindra, Uber, IDBI, Viacom India and many more

Here's how your students can participate -

1. Visit this link - [Internshala.com/00brfreg955](https://internshala.com/00brfreg955) Last date to apply - Thursday, 14th November
2. Choose and apply to internships based on interest. (This fair will be hosted online on Internshala)

Eligibility - All final year students from Ramanujan College (any branch/stream) Recent graduates can also apply

I would request you to kindly share this email with all your final year students and recent graduates so that they don't miss out on this opportunity. You may also download the notice and have it circulated among all your college faculties, librarians and student coordinators to ensure maximum participation.

Hello,

We, Kaivalya Food and Beverages India Pvt Ltd, endeavor to build a brand in the daily refreshment space with a primary focus on the daily refreshment needs of the working population. Its a step towards organizing the highly unorganized daily refreshment market, with an annual market share of Rs1.5 Lakh Cr.

In the past 8 months, we have sold 1Mn+ cups of refreshment with a current daily run rate of 5,000+ cups. We have a presence in Delhi and Lucknow. Currently, we are also in the process of fundraising for the next round of expansion and have received a significant amount of interest from multiple VC's and Angel investors. This expansion requires internally groomed business leaders who are capable enough to handle this expansion smoothly.

Therefore, we are looking for candidates who can work with us on multiple fronts related to our business, as interns. We can promise an enriching experience which any candidate gets by associating themselves with an early age startup.

The role would include leading a sales effort in finding potential consumers of our products and converting them into full-time clients.

Stipend - INR 10,000 - 15,000 /-(monthly)  
Location - Delhi (Karol Bagh)  
Internship/Job Type - Onsite  
Domain - Marketing/Sales

Candidates will be hired on a stipend basis until the company raises seed capital. Post that, promising candidates will get a placement offer with industry standard salaries and a very good position of responsibility.

Kindly forward this email to the relevant candidates and ask them to fill the registration link shared below. I am also attaching our recent media coverage for a better understanding of the business. Candidates can be from any background and any year of college.

Team pennywise <hello@pennywiseapp.in> to me, akshat@pennywiseapp.in

Dear Ma'am/Sir

This is in regard to an internship opportunity for your college students at [pennywiseapp.in](https://pennywiseapp.in).

We are a young fin-tech startup and have recently marked our presence in the market. Our vision is to make people become financially wiser, and follow their passions instead of working for just money. We want to help people attain financial freedom so they can FIRE (financial independence retire early) in life, and just do what they love doing.

We feel pleased to extend an opportunity for Campus Ambassador Program 2020-pennywise for the students of your college. Please find the details and poster attached for circulation.

Thank you

Kind regards  
 Udit Sharma

Hello,

Greetings of the day!

Mckinley & Rice is seeking to hire **Campus Ambassadors** from your college. We are looking for talented individuals who are willing to enhance their skills.

Mckinley & Rice Creativity Pvt. Ltd. originally began as a tech outsourcing consultancy firm 5 years ago, when founder Felix J.W. Kim and associates discovered an increase in interest regarding overseas outsourcing while working at a law firm in Seoul, South Korea. In November 2018, Mckinley & Rice launched its own in-house software development team in Noida, India, as well as offices in California, U.S.A. intending to make design and tech accessible to everyone by breaking down borders. In January 2020, the company expanded its footprint with an office in Pune to further enhance its capabilities.

- Work Location:**
  - Noida: Office 602 Ithum Tower A, Sector 62, Noida.
  - Pune: 204 Workcult, Platinum Square, Viman Nagar, Pune
- Requirements:** Please refer to the detailed Job Descriptions attached.

**What we are looking for:**

- Fluency in English (Required)
- Excited about working in a 21st-century work environment with innovative minds.
- Good Follower/connection on social media (LinkedIn, Facebook, Instagram)

MACX OFFICIAL <hr.macxofficial@gmail.com> to me Fri, Oct 16, 2020, 5:59 PM

Dear team,

Greetings from MACX!

MACX is an initiative by the students for the students all across India. We aim at enriching the lives of students by providing them a platform to think, connect and share ideas for a bigger and better future.

This time, MACX would like to offer an internship to the students of Maths, Stats, Physics, Chemistry, Economics and B.Com. Hons.: an opportunity to be part of our time

As you know that study plays an important role in a student's life. Talking of this unpredictable time one does not know what would happen next but they are sure that they would have to study. Limited resources have been a curse to most of the students and to overcome this, MACX has come up with a solution.

We would like to hire students belonging to the mentioned courses initially and would continue with hiring more students from different courses in order to provide them opportunity to work with us.

All the necessary details have been attached and we request you to kindly circulate this message to the mentioned courses and do let us know if we could help you in some way.

Note: This internship would be helpful to the interns for their course and can be done during examination time.

Best Regards,
