# 1. PRINCIPAL'S REPORT 2022-23

I am proud to present the 65th Annual Report of the college.

Firstly, I would like to thank the Chairperson of the College Governing Body, Dr. Jigar Champaklal Inamdar, for his inspiring stewardship which has enabled this institution to be the torchbearer in the field of higher education. We are one of the top-ranking colleges of the University of Delhi and have built a nationwide reputation as an institution that provides high quality education.

Throughout the year 2022-23, we kept our educational initiatives aligned with the transformative vision of NEP 2020. We built up our core academic strength through a mammoth recruitment drive, widened the ambit of our Research Development and Services Cell, set up a Skill Development Centre and the Institution's Innovation Council and continued the thrust of the Teaching Learning Centre (TLC). Thus, we have fostered a holistic teaching and learning environment to strengthen academic skills, build an enterprising innovation mindset and make our students future-ready.

We are within the top 50 colleges of the country as per the NIRF rankings. India Today has rated us 25th among the BBA colleges, 34th in Commerce and 48th in BA, in its nationwide ranking of colleges in 2023. These are all higher than the corresponding ratings of the previous year. Under Management category, we have been rated as the 8th best emerging college of the year.

I wish to put on record that we are proud to have added sixty-five new permanent faculty members in different departments of the College. This has been a remarkable achievement and now we have a dynamic young dedicated faculty that I am sure will take this institution to yet higher levels. Five existing faculty members were promoted. The teaching learning aspects of the institution remain robust and the students have done the College proud in the academic field. Ninety-one final year students graduated with a grand CGPA of 9 and above. Thirty-nine students in the 4th semester and thirty-five students in the 2nd semester also got a CGPA of 9 and above. A student from the Department of Philosophy won a gold medal for academic merit. The College excelled in the field of sports too and 3 students won gold medals in state level events.

Our on-premises CLOUD infrastructure has enabled us to enhance our data storage capacity, computing power and resource accessibility. We have leveraged our technology to contribute to nationwide capacity building through higher education. Self-paced, short-term programmes are offered on [stc.rcmoocs.in](http://stc.rcmoocs.in) while interdisciplinary multilingual courses are facilitated by the site [mlc.rcmoocs.in](http://mlc.rcmoocs.in). The online portal MOOCS hub offers over 2000 practice MOOCS. Meanwhile, through Vidya-Vistar, we have collaborated with over 50 institutions all over the country.

The Research Development and Services Cell (RDSC) implemented the DSpace and KOHA digital library management system to streamline library operations. It also broadened its purview to cover 17 domains which include Next Generation connectivity Labs, Digital Agriculture and Environment Lab, AI and Robotics Division, Sustainable Development and Policy Research and Praxis, Quantum Technology Labs, Digital Transformation Lab, AltReality Labs, Fintech Division, Cyber Security Division, Ed-Tech, Assistive Technology Division, Data analytics division, Vernacular language Archiving Centre, Bhartiya Sanskritik Kala Kendra, Centre for Folk Culture Studies and Multiverse Insights – Podcast Studio.

The Skill Development Centre (SDC) has been developed on the principle of “Skilling, Reskilling and Upskilling.” It has made three portals: [skills.rcmoocs.in](https://skills.rcmoocs.in), [ngt.rcmoocs.in](https://ngt.rcmoocs.in) and [64kalas.rcmoocs.in](https://64kalas.rcmoocs.in). Courses offered in these portals include Quantum Computing, 5G Technologies, Funding and Financing Options, UX/UI Design, Art of Singing, Art of Dancing and Art of Conversation.

The Institution’s Innovation Council (IIC), formally launched in July, 2022 under the Ministry of Education’s “MoE’s Innovation Cell,” (MIC), organised a host of activities to familiarise students with Design Thinking, Critical Thinking, Innovation Design, Entrepreneurship skills, Business Model Canvas, IPR, IP Management for Start-ups and Prototype/Process Design and Development.

The RDSC, SDC and IIC are all housed in a state-of-the-art Skilling Centre which has been constructed on campus. It was inaugurated on 30th January, 2023 by our honourable Chairperson, Dr Inamdar. A laboratory has also been set up for the Environmental Science Department.

The TLC, under the auspices of the Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNTT), MHRD, Govt of India, signed 33 MOUs and conducted 135 Faculty Enrichment Programmes which covered over 35000 teachers across the country. An MOU was signed with Central Bank of India to train 40,000 employees through a 2-month online Certificate course on “Fundamentals of ESG and Sustainability.”

Indeed it has been a year of hectic activity and of institutional achievements. I would like to thank the teaching and the administrative staff who have worked with single minded dedication and it is their contribution throughout the year that has taken the institution to enviable heights.

I take this opportunity to thank all the teachers, the administrative staff and the students for their cooperation and support.

## 2. IQAC REPORT

The academic year 2022-23 has been pioneering for Ramanujan College, with the IQAC paving way for the establishment of two novel centers in the campus to augment innovation, incubation, skill-based education paradigm and support for transforming new ideas into successful business. The Institution's Innovation Council (IC202218273) was established in July 2022, under the Ministry of Education's (MoE) prestigious 'MoE's Innovation Cell (MIC)', to foster an entrepreneurial ecosystem. The Skill Development Centre was set up to proactively invigorate and catalyze the prevailing skill-based education paradigm through the cultivation of a research-intensive and openly collaborative pedagogical environment. The facility housing the Skill Development Centre, the Institution's Innovation Council (IIC), and the Research Development and Services Cell (RDSC) of the College was formally inaugurated on 30 January 2023, by Dr. Jigar Inamdar, honourable Chairperson of the Governing Body of the College.

The IQAC also facilitated the organization of a special Postal Stamp Exhibition, titled "On the Footsteps of the Mahatma" on 30 January 2023 to commemorate the 75th Anniversary of Martyrdom of Mahatma Gandhi.

The IQAC supervised the 135 faculty enrichment programmes, conducted by the Teaching Learning Centre between July 2022 and June 2023, training more than 35,000 teachers from across the country during this period. The IQAC also monitored the 54 activities conducted by the Institution's Innovation Council (IIC). The IQAC is also overseeing the following projects being carried out by the Research Development and Services Cell (RDSC) of the College: Immersive technologies (VR, AR and MR); Quantum Computing; 5G project; and Agritech Project.

The process of faculty promotion was expedited by the IQAC, successfully promoting 5 faculty members: 2 from Department of Commerce (Assistant Professor to Associate Professors), 2 from Department of Hindi (Associate Professor to Professor), and 1 from Department of English (Associate Professor to Professor).

Ramanujan College began the process of recruitment of faculty members on permanent basis and between December 2022-July 2023, a total of 65 teachers were appointed in the departments of Philosophy, English, Mathematics, Computer Science, Political Science, Economics, Statistics, Commerce and Environmental Science.

The IQAC organised separate meetings of all the departments with the Chairman of the Governing Body and the Principal of the College, where the existing and newly recruited faculty were encouraged to work as a team for the progress and development of their departments and the College at large, along with focussing on their individual career advancement in terms of research publications and projects.

The IQAC of organised a Hindi Training Workshop for all the teachers of the College on 26 April 2023 (Wednesday) in the Ghalib Auditorium, as part of 'राजभाषा क्रियान्वयन' कार्यशाला.

The IQAC conducted an internal audit of the Research Development and Services

Cell (RDSC) and Teaching Learning Centre (TLC) of the College, on 30 June 2023.

The IQAC is in the process of establishing a Centre for Indian Knowledge Tradition in the College with the vision to serve as a focal point of Bhartiya Gyan Parampara across the globe, in pursuance to the proposal made by Dr. Jigar Inamdar, Chairman of the Governing Body. In this direction, a series of workshops were held with experts on Bhartiya Gyan Parampara from across the country to finalise modalities of the Centre. It is hoped that the Centre will be ready for inauguration during the Foundation Day of the College. It is also proposed that a Certificate Course on Śrīmad Bhagavad-Gītā: Prabodha Evam Prāsa gikatā for faculty across the country will also be launched as the first programme towards disseminating the wealth of knowledge and Indian Value System.

### 3. 10<sup>TH</sup> ANNUAL RAMANUJAN MEMORIAL LECTURE ON THE FOUNDATION DAY OF THE COLLEGE

This was delivered on the 23rd of December in Ghalib Auditorium by Shri Manoj Kohli, the former Country Head of SoftBank India, supporting SoftBank Group and Vision Fund. Earlier, he held the position of Executive Chairman of SB Energy from 2015 and achieved over 5GW of renewable energy - solar, wind, and hybrid - capacity in India. Before this, he was the Managing Director and CEO, of Bharti Airtel, for operations in 20 countries in Asia and Africa until 2015.

# **DEPARTMENTAL ACTIVITIES**

## 4. DEPARTMENT OF APPLIED PSYCHOLOGY

The Department of Applied Psychology of Ramanujan College which aims to provide its tutees with robust understanding of fundamental psychological concepts and processes, employs not only classroom education but also hands-on lectures from professionals who have gathered their experience and want to share it with others that desire to follow after them.

The listed below workshops were conducted during the academic year of 2022-23:

- A ‘Stress Management Workshop for Women’ who experience the symptoms of anxiety on September 13th, 2022 via online mode. This was led by guest speaker Ms. Sheetal Lakhani who is a PhD Scholar in Clinical Psychology, NIMHANS Bangalore.
- A workshop titled “Interpersonal Relationship: Role of EQ” on 30.11.2022 by Dr. Pooja V. Anand, an experienced psychologist in the field of emotional intelligence, as the guest speaker. The workshop included an informative lecture from the resource person, using visual aids and real-life case studies to enlighten the students on the crucial role that emotions play in the society. It has long been established that humans are driven by both reason and emotions.
- A workshop was conducted on 10th February, 2023 on the topic “Stress Management”, with special emphasis on the underlying neurological explanations by Dr. Indiwari Mishra, who is currently an Assistant Professor of Psychology at B.R. Ambedkar College, University of Delhi.
- To further develop the interests of the young minds, the Manan Book Reading Club held its meeting on April 5th, 2023 on the book, The Art of Loving by Erich Fromm which added their own spin to analysing and discussing the psychological fiction.
- There are two cells of the department i.e; the Counseling and Peer support cell and the Mental Health Awareness cell have also conducted certain events and activities.
- Raahat started a weekly online comic series - “Adventures of FactChecker & MythBuster” - from February to October 2022. The series features two comic characters FactChecker and MythBuster - who use humour and wit to bust myths about counselling. The series covers topics such as the stigma around counselling, the role of counsellors, peer counselling, test anxiety, queer-affirmative counselling, etc.
- The Pride Post series is a collection of posts that were created by Raahat with the aim of promoting queer-affirmative counselling practices and creating an inclusive environment for the LGBTQIA+ community. Posted from 18th - 24th June, 11th October, and 19th November 2022, the series includes posts on a variety of topics related to queer-affirmative counselling.

- The Manan Mood Board Activity held on 28.09.22 and 29.09.22 near the canteen and Nescafe areas, was a collaborative effort between Raahat and the MHA cell. The goal of this anonymous activity was to encourage students and faculty members to reflect on their mood and emotional state, and to provide a space for them to express themselves.
- Mental health is a critical aspect of a student's well-being, and it is essential to create awareness about it. This was done to commemorate the World Mental Health Day on 10th October 2022. The drive aimed to raise awareness about mental health and well-being among students and faculty members. All participating students were asked to dress in green, the official colour of mental health awareness.
- Raahat, the peer support and counselling cell of the college, organised an event on International Men's Day on November 19th, 2022, which was aimed at raising awareness about men's mental health and breaking the stereotypes surrounding it.
- On the 20th of April, 2022, an "Autism Awareness Drive" within the campus was organised. Students from all three batches, as well as the faculty members of the department, actively participated in the event by donning blue-coloured attire to show solidarity.
- The Heart-to-Raahat Board Activity was held on 1st March 2023 to promote open communication and support among students and faculty members. It provided a platform for individuals to express their concerns and anxieties in a safe space, free from any judgement or scrutiny. The activity aimed to create an inclusive and supportive community on campus, where everyone felt heard, seen, and valued.
- The Mental Health Awareness drive, co-organized by Raahat took place on October 21st, 2022. The event saw active participation where students marched together, holding posters, and chanting slogans advocating for prioritising mental health.

## 5. DEPARTMENT OF COMPUTER SCIENCE

The Department of Computer Science hosted a heartwarming alumni meet on July 31, 2022, reuniting former students with their academic alma mater. It provided an excellent platform for alumni to reconnect, reminisce about their college days, and share their post-graduation experiences. This event fostered a sense of community and allowed current students to benefit from the insights and wisdom of those who have gone before them.

Quiksort, the society of the Department of Computer Science, organized various events during the 2022-2023 session:

- A session under the Alumni Talks Initiative, titled "The Code to Cracking Tech Interviews," was conducted on August 26, 2022. It provided students with invaluable insights and strategies for excelling in technical job interviews. It was a knowledge-sharing platform that proved immensely beneficial for students preparing to enter the world of technology.
- In January 2023, a lively and vibrant fresher's party was held at the Ghalib Auditorium, creating a memorable welcome for the newcomers to the college. The event showcased a pool of talent, featuring a diverse range of performances and engaging activities. It provided an opportunity for both new and existing students to come together, fostering camaraderie and a sense of belonging.
- In February 2023, a quiz competition took place, featuring participants from various academic years and encompassing a broad spectrum of topics within the field of computer science. This event provided a platform for students to test their knowledge, critical thinking, and problem-solving skills in the field of computer science.
- Turington 2023, the Annual Tech Fest, was organized in April 2023. It was an exhilarating celebration of technology and innovation, bringing together students, tech enthusiasts, and industry experts to explore the latest trends and breakthroughs in the world of technology. The event featured a myriad of activities, workshops, and competitions, providing a platform for participants to showcase their technical prowess, creativity, and problem-solving skills.

## 6. DEPARTMENT OF ECONOMICS

To inculcate a passion for Economics and Research amongst students, Essenzia: The Economics Society of Ramanujan College regularly organises networking events, workshops, alumni meetings, and seminars/ webinars throughout the session.

During the session of 2022-23, Essenzia, along with the support of other societies, took the responsibility to bring a festive aura to our college in the form of Onella. The Diwali mela, held on October 19, 2022 was a huge success and Team Essenzia managed to bring small businesses and food kiosks to the campus. The event involving cultural activities and DJ music helped create many memories for the students of Ramanujan College.

We take pride in publishing the first-ever research magazine under the guidance of the convener and the hard work of the editorial team. By showcasing undergraduate contributions, Econ-Arc (magazine volume 1) bridges the gap between academia and real-world economics, providing a unique perspective. Its articles offer a captivating journey through diverse topics that promote a deeper understanding of economics for all readers.

As the economics society, we are well known for hosting skill enhancement workshops. With an aim to introduce young learners to market-demanded skills, the workshops are open to students from all the departments. As a part of this session, all the wings of Essenzia successfully organised workshops covering wide-ranging domains. Essenzia Research Wing hosted a session on NSSO data mining (25th September 2022) and how to get started with Research Papers in academics (4th November, 2022). Essenzia Career Wing conducted interactive one-on-one learning workshops on R software and Stata as well as introductory Power BI for data analysis in the months of January and February. Samvaad organised an interactive movie screening (1st July 22) of the oscar-winning movie “Parasite”. Also Mr. Vikas Jain, an accomplished international keynote speaker, author, and design thinking coach, brought his vast expertise and knowledge to a workshop on the topic “Prototype/Process Design and Development”(13th May, 2023). With years of experience in the design industry and a profound understanding of design thinking principles, Mr. Jain was well-suited to guide participants through the intricacies of prototype and process design.

As a part of our yearly tradition, Essenzia organises an Open House. One-of-a-kind event hosted by the department to promote discussion between all three batches and the faculty, involving economic thought and open dialogue. This year, the topic of discussion was, “Heavy usage of social media websites is a leading cause of social anxiety. Reality or Paranoia?” The focus of this co-curricular activity is to enable interaction and initiative from the incoming batch of students just like a Chai pe Charcha. Department faculty also share their experiences and engage in discussion with every student to make them feel welcomed and heard.

Lastly, during our annual event Eudaimonia, this year we organised the 4th edition in the month of January and received an overwhelming response. Over two days, the

department society organised a paper presentation competition, lecture series, trade wars game as well as online quiz and article submission competition on the Unstop platform.

Mr. Himanshu Arora, a financial market specialist with over seven years of experience, spoke on the importance of investment in Multibagger Stocks to 60 students. He discussed the impact of global economic conditions on India's economy and the ideal rate of return for investors. Arora also emphasized the need for trust in a company's management before investing. Mr. Arora advised students to trust a company's management and management before investing. The speaker answered student questions and received a vote of thanks. As a concluding statement, the speaker quoted: "Be greedy when others are fearful, and be fearful when others are greedy".

### FRESHER'S ORIENTATION:

On October 3, 2022 in Room Number 306 of Ramanujan College, University of Delhi, the Department of Management Studies organised an orientation programme for the new group of students to acquaint them with the curriculum, clubs, centres, teaching methodologies, and other necessary details. Faculty members and Principal Prof. Meena Sharma oversaw the program's execution. Tanmay M. Awasthi and Sanya Gupta served as the hosts (2nd year BMS students). Dr. (Prof.) Meena Sharma, the college's principal, welcomed the incoming BMS '26 class and gave them information about the school and the recently accepted curriculum. by University of Delhi. Following an introduction to the "Managerix - The Departmental Society

of Management Studies” and its core team, the hosts of the programme gave them a briefing on the many societies and cells that are accessible in the college. By presenting them with images from the events, they were informed of the society’s successful events. Dr. Parul Yadav’s vote of thanks brought the programme to a close.

### **A SEMINAR ON BUILDING FOR SCALE: LEARNINGS FROM GLOBAL UNICORNS:**

The Department of Management Studies, in collaboration with the Institution’s Innovation Council (IIC Ramanujan) , organized a seminar titled ”Building for Scale: Learning from Global Unicorns” on November 21, 2022, at the Ghalib Auditorium of Ramanujan College, University of Delhi. The session featured Mr. Akul Jindal, a millennial philosopher at Venture Highway and former fellow at Kalaari Capital. Mr. Akul shared insights on building for scale and implementing lessons from global unicorns in one’s own ventures. Sanya Gupta hosted the event, with Dr. Vijay Lakshmi presenting a token of appreciation to the speaker. Mr. Akul discussed the significance of execution in startups and shared his experiences as the founder of Red Herring Ventures. He also touched upon his career in KPMG and the differences between working in an MNC and a startup. The seminar concluded with a Q&A session and a vote of thanks from the host.

**ENTRANTS FIESTA – THE OFFICIAL FRESHERS' PARTY:**

The Freshers Party organized by Managerix, the Department of Management Studies at Ramanujan College, took place on December 8th in the prestigious Ghalib Auditorium. Themed "Enchanted Dreams", the event featured captivating decorations and a welcoming address by the faculty members. Cultural performances, including dances, music recitals, skits, and fashion shows, showcased the talent and enthusiasm of both senior and junior students. A highlight of the evening was the Mr. and Miss Fresher contest, adding excitement and recognition. With a DJ, dance floor, refreshments, and networking opportunities, the event provided a memorable experience for the new students, fostering a sense of belonging and setting the stage for a vibrant college life. The organizing committee and the Department of Management Studies deserve commendation for their meticulous planning and execution of the event.

**BRAINLY BASE:**

Where knowledge meets exposure, and presentations forge pathways to corporate enlightenment, fostering interdepartmental bonds along the way. In January 2023, over a span of 4 weeks, participants engaged in a structured process: selecting an article, comprehensively reading and understanding its central theme, and subsequently presenting it to the society's weekly meetings. The primary focus of these presentations was to cultivate corporate awareness within the society. Each week, different sectors of the business world were explored, offering diverse perspectives on various industry dynamics. Brainly Base achieved remarkable popularity on Instagram and garnered attention from various other departmental societies. It nurtured holistic growth by promoting knowledge dissemination, interdepartmental connections, and social engagement, thereby enhancing the overall educational experience of the participants.

### **CASE TANTRA 2.0 : MARKETING CASE COMPETITION:**

Ramanujan College's Department of Management Studies successfully hosted its highly anticipated annual event, "Casetantra 2.0." This five-day competition, held from the 8th to the 13th of February, showcased the remarkable talents and skills of the participating students. The event featured both online and offline components, with the initial rounds conducted online and the final round taking place at Ramanujan College's prestigious TLC HALL. The event concluded on a high note, leaving a lasting impact on all participants, judges, and attendees. Casetantra 2.0 showcased the immense talent and potential of the students from Ramanujan College's Department of Management Studies, emphasizing their ability to tackle real world problems with creativity, professionalism.

### **THE OUTREACH PROGRAM:**

The Outreach Program was conducted for three months by the Department of Management Studies in February 2023. It aimed to provide education to underprivileged children at The Ethics and Values Foundation, Sudhar Camp, Kalkaji, New Delhi. Our experience there was very unique, we saw the living condition of the people, how they are not provided good education and sanitation facilities. By getting the opportunity to be able to sit with them, share their thoughts and interact with the children made us feel overwhelmed. The children were both excited and shy. We taught them various topics varying from mathematics, English, social studies to art. The children were smart, they completely understood what we were trying to teach them. The only problem that arose was the medium of education, we tried to teach them in their preferable language, in which they cooperated out of their way. Our student members who volunteered are Tanmay, Padala Nihar, Priyanshi, Anisha, Deba Prasad, Nimit Bansal, Aman Kumar, Divya Gupta, Sanya Gupta, and Harsh Kumar, Aryan Jain, Ayush Raj, Neha Khanna and Sanah Sahani, Khushi Gupta, and Tanya Kumari and Vritika. On 26th June 2023, the Outreach Closing Ceremony "Shikshan" was a resounding success. It served as a reminder of the transformative power of education

and the importance of nurturing young minds. The event aimed to celebrate the 3-month programme where we taught the children from the Ethics & Values foundation. The dedicated volunteers working in groups of four selflessly committed their time and efforts to make a positive impact on the lives of the young learners.

### **VENTURE VOICE (B-PLAN Competition):**

On April 17th 2023, in Ghalib Auditorium and Room Number 208 of Ramanujan College, University of Delhi, “Managerix” in collaboration with IIC Ramanujan (Institution’s Innovation Council) and “RAMCOMM” organised a Business Plan Competition-VENTURE VOICE. This event was organised to inspire and support the teams to invest in their business ideas and were selected to present their start up ideas in front of our esteemed judges – Dr Vijay Lakshmi Sahay, Dr Abhishek Kumar Singh and Kirti Saroha. Six of the teams who had qualified the other rounds pitched in front of the judges about their business ideas with their presentations. There was a Question-Answer round where the presenter’s efficiency was analysed by the judges. A fun trading activity was also held in room no 208 for all the visitors. Later on the best three were given gift hampers. The winning teams were awarded by our esteemed judges.

### **FAREWELL PARTY- HASTA LA VISTA:**

On May 7, 2023, at Ghalib Auditorium in Ramanujan College, University of Delhi, the Department of Management Studies hosted the farewell- Hasta La Vista for BMS batch 2023. The event commenced with an opening speech by our respected teacher Prof. K Latha, expressing gratitude and reminiscing about the wonderful journey, followed by a mesmerizing musical performance and a memorable ramp walk by graduating students. A skit was performed by a group of students, entertaining the audience with their humorous and thought provoking act, Hook step game, and Lazy dance added entertainment. The 21 dares game and Talent Round showcased daring spirits and diverse talents. Title like Mr. & Ms. Well Dressed were given and a heartfelt video played, evoking nostalgia and gratitude. The event concluded with expressions of gratitude and group photographs, leaving lasting memories of camaraderie and success. It provided an opportunity for the graduating batch to bid farewell to their beloved college, creating cherished memories for years to come.

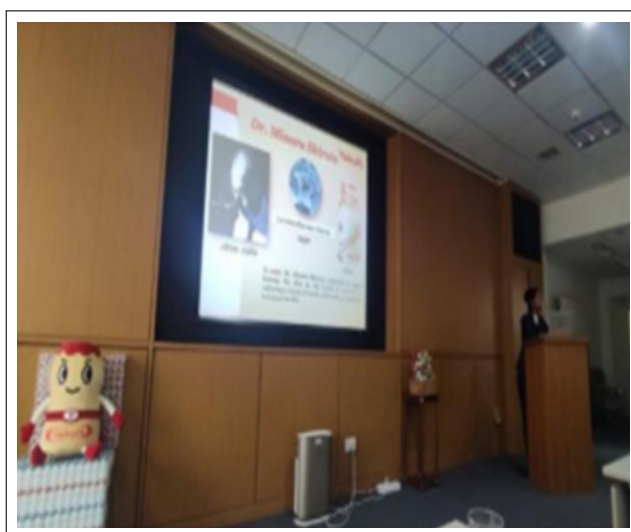

### **BUSINESS MODEL CANVAS:**

On May 27th, 2023, the Department of Management Studies and the Institution's Innovation Council successfully organized a webinar focusing on the creation of a robust Business Model Canvas. The event featured guest speaker Mr. Sunil Kumar Vaya, a highly esteemed director, CFO, coach, and keynote speaker. Over 50 students from diverse educational backgrounds participated in the webinar, eager to gain insights into strategic business planning. Mr. Vaya commenced the session by explaining the importance of the business model canvas as a blueprint for entrepreneurial success. He discussed key components such as customer segments, value propositions, and customer relationships. With real-world examples and case studies, Mr. Vaya provided practical insights that resonated with the audience. The webinar concluded with an engaging Q&A session, leaving participants enriched with knowledge and appreciation for the Department of Management Studies and the Institution's Innovation Council's commitment to fostering entrepreneurial acumen.

## INDUSTRIAL VISIT:

An Industrial Visit to Yakult Danone was organized for the department of management and placement and career development cell collectively on 22nd June 2023 for Ramanujan College, Delhi University. The purpose of the visit was to gain practical knowledge and insights into the production processes of Yakult, a renowned brand in the field of probiotic beverages. The session focused on the company's deep history, its founders, core value of the company, corporate social responsibility initiatives, marketing strategies, and future plans. composition. It provided a platform for the students to ask questions and engage in meaningful discussions with industry professionals. ## 12. DEPARTMENT OF MATHEMATICS

The Department of Mathematics along with RamanuGen: The Mathematics Society organised a series of academic, co-curricular and extra-curricular activities in the online as well as offline mode in the academic session 2022-23 for the overall growth and development of the students and faculty members.

**Curioso** is an annual feature of the Society to indulge students from all disciplines and various colleges in the fun of solving interesting and tricky Mathematics related questions. Curioso 22 was a continuation to the wonderful series of Quiz started in 2021 by RamanuJan-The Mathematics Society of Ramanujan College, University of Delhi to indulge students from all disciplines and various colleges across India in solving enthralling and crafty Mathematics related questions. The questions were designed in such a way that anyone with an understanding of Senior Secondary Level of Mathematics could attempt the Quiz. The participation came from across India including IITs and NITs. Each week a new question was posted on our social media handles, which was also shared with the participants through e-mail and they had to submit their answers within the given time duration through the submission link provided. Weekly Top 10 participants were declared at the end of the event. The winners were awarded with certificates, E-Badges and cash prizes. The winners were provided with Certificate of Achievement, E-Badge and the following cash prizes - 1st Position – INR 1500, 2nd Position – INR 1200, 3rd Position – INR 1000.

**ESTRATEGIA :THE GAME THEORY BATTLE GROUND** (November 10, 2023)- Estrategia, despite being the first one of its kind events of Ramanujan College, saw an active zeal and participation by students from across the University of Delhi. The event was organised by Ramanugen, the Mathematics Society of Ramanujan College and IQAC, Ramanujan College in collaboration with IGTS under Stratezenith. The competition came up with the objective of brushing up the logical and analytical skills of the students and to instil in them the basic principles of Game Theory, a discipline that lies at the convergence of mathematics and social sciences, often called 'art of strategy'. Estrategia proved to be a knowledgeable and fun battle. The department sincerely acknowledges the efforts and hard work of all the professors, the IGTS, the IQAC of Ramanujan College, the IGTS and RamanuGen volunteers

and the students, without which, the smooth conduct of such a prestigious event was next to impossible.

Total Registrations	206
Total no. of Participants	94
<b>Winners:</b>	
First	Deepak Sharma, Ramanujan College
Second	Shivansh Gupta, Ramanujan College
Third	Zimam Ahmed, Ramanujan College

The winners were awarded certificates and cash prizes worth INR 5000/-.

**VEDANGI MAGAZINE LAUNCH** (10 January 2023): Vedangi, is the first ever e-magazine from the Department of Mathematics, of Ramanujan College. This magazine has been curated to highlight the growth of the department, both academically and in extra-curricular domains over the years. The Magazine consists of messages from the principal, teacher in charge, introductions about the dept., faculty, some articles, and interviews, and a glance at some events by the mathematical society of Ramanujan College.

### International Conference on Graphs, Networks and Combinatorics (ICGNC 10-12 Jan 2023)

The Department of Mathematics, Ramanujan College (Accredited Grade “A++” by NAAC), University of Delhi organised an “International Conference on Graphs, Networks and Combinatorics (ICGNC 2023)” during 10-12 January 2023”. The formal inauguration was done on 10 January 2023 in which Prof. Prateek Sharma, Vice-Chancellor, TERI School of Advanced Studies, was invited as the chief guest. Prof. Sharma appreciated the efforts of the organising team and highlighted the importance of this conference on how such programmes are helpful in the enrichment

and enlightenment of faculties and research scholars in bringing collaborative research. Chairman of the College, Dr. Jigar Champaklal Inamdar also graced the occasion and presided over the gathering. He also appreciated the efforts taken by the College and the Department of Mathematics. He emphasised that we should take out most of the conference by seriously attending it and they can contribute their parts in the best way by learning from available resources.

The formal valedictory session took place on the final day of the conference. On this day Prof. Balaram Pani, Dean of Colleges, University of Delhi, was invited as the Chief Guest. Prof. Pani described the need of such an event and congratulated the Department of Mathematics and Ramanujan College for successfully conducting the event with massive participation from around the World. The Principal of Ramanujan College, Prof. S. P. Aggarwal, addressed the participants and focused on the need of interdisciplinary education/research in institutions. He also emphasised that Mathematics, being the central point of allied areas of Mathematics, is much needed for all.

Dr. Rajesh Singh, Convener, ICGNC 2023, presented the overall report and outcome of the event. He informed that the programme has received tremendous response and more than 450 participants attended the conference from India and Abroad. In this event more than 300 research papers were presented and 19 Internationally renowned researchers from around the world participated and shared their expertise on various topics of Graph theory. He also emphasised that the conference has got huge support from various organisations and funded by University Grants Commission (UGC), Defence Research and Development Organization (DRDO), Science and Engineering Research Board (SERB), Oil and Natural Gas Corporation Limited (ONGC), Indian Oil Corporation Limited and Punjab National Bank (PNB). It is worth to note that the University of Delhi, Delhi is a nodal centre of G-20 conferences and the conference is being organised under the G-20 banner. There are resource persons from the G-20 Countries including US, Indonesia, Germany and India. In this conference 19 Internationally renowned experts from USA, Slovakia, Germany, Hungary, Indonesia and India will be sharing their expert keynote lectures.

**Two-week Refresher Course in Applicable Mathematics** was organised by Teaching Learning Centre (TLC) and Department of Mathematics, Ramanujan College in collaboration with Sri Jayachamarajendra College of Engineering, JSS Science and Technology University, Mysore – 570006 during 26 July - 08 August, 2022. The course had 544 registered participants, including teachers and research scholars, out of which 515 participants successfully completed the course. The Refresher Course in Applicable Mathematics successfully achieved its objectives by providing participants with a comprehensive overview of mathematical concepts, promoting research, and fostering a collaborative learning environment. Participants left the course with enhanced mathematical skills and a deeper appreciation for the subject.

**Three-Month Foundation Course "Vedic Maths Mastery"** was organised by the Teaching Learning Centre and Department of Mathematics, Ramanujan College, University of Delhi during 18th June - 11th September 2022 with the aim of introducing participants to the principles and techniques of Vedic Mathematics, an ancient system of mathematics that is known for its speed and efficiency in calculations. The course had 115 registered participants, including teachers, students, and professionals from various backgrounds, all with a shared interest in Vedic Mathematics.

**The two-week Refresher Course in Mathematics** was organised by Teaching Learning Centre (TLC) and Department of Mathematics, Ramanujan College during 29 April – 13 May, 2023. The course had 210 registered participants, including teachers and research scholars, out of which 178 participants successfully completed the course. The Refresher Course in Mathematics effectively met its objectives by providing a comprehensive review of mathematical concepts, promoting research, and fostering a collaborative learning environment. The course contributed to the continuous growth and development of mathematics in both academic and professional spheres.

#### **CAREER TALK SESSION - BY RICHA SHARMA (FEB 27, 2023):**

On 27th Feb 2023, the Placement Cell Mathematical Science in collaboration with the Department of Mathematics organised a Career Talk Session on how to crack interviews by Richa Sharma. She gave 4 factors on which our confidence level depends, i.e. body language, tone of voice, dressing, rate of speech. For building a CV, she advised to highlight skills matching to the job profile, and to review resumes

according to job requirements and ended the seminar with advice to keep a positive mindset for the interview without reflecting any desperation or fear.

**MATH KI BAAT:** Math Ki Baat was a talk delivered by renowned speaker Prof. R.K. Sharma, the former HOD at IIT Delhi. The theme of the talk was “Mathematics for all”. Prof. R. K. Sharma enlightened the students about the magic of Mathematics. He broke the myth that Mathematics is very boring, by making his session very interesting. The students present there were not able to stop smiling because of his humorous examples. Around 100 participants attended the programme.

**iOTA-The Game of imagination :** iOTA was a one day extravaganza event organised by RamanuGen- The Mathematics Society of RAMANUJAN COLLEGE with the motto “Mathematics is equal to fun” on 14th Feb 2023.

**MATHOPHILIA :** Mathophilia was a quiz event which focused on questions ranging from higher Mathematics to Pure Mathematics. The quiz was organised in three rounds:

1. The first round consisted of 30 questions which were to be done in 30 mins. It was conducted using Google forms. 70 participants participated in the first round. Among which 50 qualified for round 2.
2. The round 2 was Integration bee, battle between two randomly selected participants. Both of them had to solve the same question within 5 mins simultaneously. Total 34 students participated and 18 were qualified for the last and the final round.
3. The final round consisted of thrilling and mind boggling 15 questions which were shown on the screen of the auditorium which the participants had to solve within 3 mins. One needs to mark the answers in a google form. After three mins the next question was shown on the same screen. Three participants with the highest score were declared as the winners of Mathophilia.

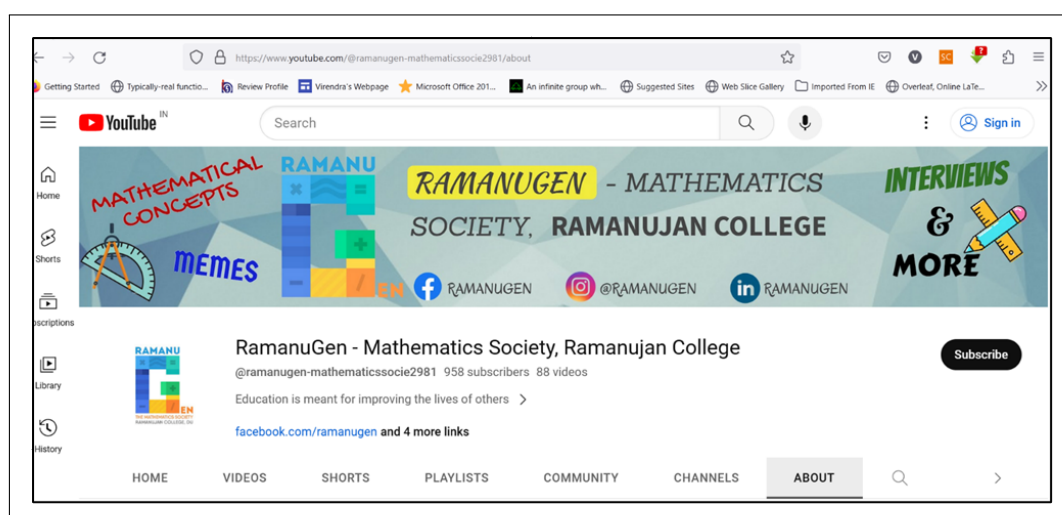

**EQAUTION:** The IPL Bidding event was an exciting auction event that provided a platform for students to showcase their cricket knowledge, strategic thinking abilities, and skills in a fun and competitive way. It consisted of three rounds - preliminary, second, and third. The participants had to bid on the players within a specific budget of 35 crores and form the best team possible. While bidding for

players, participants were tested on their strategic thinking and decision-making skills, considering factors such as the player's position, strengths, weaknesses, and the specified budget. Each participant could select three batsmen, three bowlers, two all-rounders, one wicketkeeper, and two players of their choice. Players were assigned different points based on their skills and performance in the bidding process. The event was a resounding success, with participants showcasing their exceptional skills and knowledge of the game.

**YOUTUBE CHANNEL:** The Society has launched its YouTube channel on 15 August 2021 to contribute its part towards imparting quality education in Mathematics. The main aim of the channel is to make the audience acquainted with the topics of undergraduate level in a simple and effective manner. The channel is fully operated by the students of the department. Currently, the channel has uploaded 82 videos and has 950+ subscribers with 35,000+ views. The main features of the channel are:

- **Alumni Talks:** This segment of the channel has the interviews of the alumni of the department who have excelled in the field. Currently, four interviews have been taken: Tarun Saini (NDA SSB Recommended Candidate | AIR 21), Amrit Kumar (IIT JAM 2020, AIR 221 | BHU PET 2020, AIR 01 | IIT Hyderabad), Keshav Kumar (Operational Research | Machine learning Engineer | Placed in Google) and Anand Raj (SSC CGL CHSL and CPO qualified| Ministry of Labour and Employment).
- **Mathematica Tutorials:** This segment of the channel has the videos prepared by the students of the department highlighting the basic commands and syntax for using the Wolfram Cloud.
- **Recording Tutorials:** This segment involves the hand-on videos prepared by the students of the department to use the various tools and software for creating the video content.
- **Subject Specific Lectures:** This segment includes the videos on the undergraduate topics like Real Analysis and Calculus of B.Sc. (H) Mathematics prepared by the students of the department.
- **Extra-Curricular Programmes:** The main highlights of the Orientation Programme, Freshers Party, Alumni Meets and Farewell Party of the department are uploaded in this segment of the channel.

**The Fresher's Party "Aagaz'22"** was organised to welcome the newly admitted students of Batch 2022-26 on 24th January 2023. The first-year students as well as their seniors gave scintillating performances in the online mode with great enthusiasm and energy. The Farewell Party "Adieu'23" for the Batch 2020-23 was organised on 22nd April 2023. The Performance by Laya Taal Society, felicitation of the office bearers 2022-23 by Principal, exciting games and activities, enthralling performances and active participation made the farewell party memorable for all the students of the department.

## STUDENT ACHIEVEMENTS

**Academic Results :** The students of Batch 2019-22 performed exceptionally well in the Examinations 2022. Megha Garg and Shakshi Singh both were top performers and secured 9.919 CGPA. Gaurav and Rimjhim Chakraverty stood second and third with CGPA scores 9.851 and 9.770, respectively.

**Scholarships :** Three students (Dev Goyal, Achal Singhal and Kartik Patel) of Batch 2021-24 received National Scholarship 2022-23 by Ministry of Electronics and Information Technology, Government of India worth Rs. 10,000 per annum for a duration of three years.

### Competitive/ Entrance Exams Cleared/ Placements :

- Mukesh Kumar Suthar (Batch 2020-23) cleared
  - IIT JAM Statistics 2023 AIR -133
  - IIT JAM Mathematics 2023 AIR - 197
- Anurag Singh (Batch 2020-23) Scored 209 marks in CUET PG 2023
- Akshat (Batch 2019-22) passed 4 actuarial exams and currently working at Future Generali India Life Insurance as Executive-Actuarial
- Ashpreet (Batch 2019-22) cleared MAT and CAT right now she is a teacher at school
- Neha Kumari cleared SAU entrance exam for admission in M.Sc.

**Progression into Higher Education (Batch 2020-23) :**

Several pass out students of B.Sc. (H) Mathematics are pursuing their higher education from various master's programmes in disciplines like statistics, data science and Mathematics.

- Mukesh Kumar Suthar currently pursuing M.Sc. in Statistics at IIT Kanpur
- Kanika currently pursuing M.Sc. in Statistics at Jamia Millia Islamia
- Anurag Singh currently pursuing M.Sc. Course in Mathematics from University of Delhi
- Ashish Kashyap pursuing M.Sc. from NIT Jalandhar
- Vikash Choudhary pursuing M.Sc. Course in Data Science from Chennai Mathematical Institute (CMI)
- Neha Kumari pursuing M.Sc. Course in Mathematics from University of Delhi
- Katikeya pursuing M.Sc. Course in Mathematics from University of Delhi
- Anurag Singh pursuing M.Sc. Course in Mathematics from University of Delhi
- Rugnath Vishnoi pursuing M.Sc. Course in Mathematics from University of Delhi
- Deepika Gupta pursuing M.Sc. Course in Mathematics from Banaras Hindu University (BHU)
- Prince Bharti pursuing M.Sc. Course in Mathematics from University of Delhi
- Prakshi Saini pursuing M.Sc. Course in Mathematics from University of Delhi

## 14. DEPARTMENT OF PHYSICAL EDUCATION

The Department of Physical Education & Sports at Ramanujan College, established in 1958, had an exceptional year in 2022-23. It continued to be a hub of energy and opportunities, fostering a culture of hard work and sportsmanship.

Swarnima Singh, a 2nd-year B.A. (Hons) Political Science student, made the college proud by excelling in Taekwondo. She participated in the prestigious All India University Amritsar event and clinched a Gold Medal at the Delhi State Taekwondo Championship in December 2022. Swarnima's dedication was evident as she also competed in the Stairs National Taekwondo Championship in April 2023.

Akhancha Tanwar, a 2nd-year B.Com (Hons) student, showcased her badminton prowess by securing a Gold Medal in the Delhi (South East Zone) Badminton Tournament. In the field of weightlifting, Dheeraj Yadav won a gold medal at the Delhi State Weightlifting Championship, with Sahil Yadav, Chirag Sharma, Kisley, and Ishmeet also earning medals in their respective categories.

The department celebrated the 8th International Yoga Day on June 21, 2022, with a special session on "Yoga for Humanity." Dr. Avijit Mutsuddi, a Yoga Expert from Morarij Desai National Institute of Yoga, led the session, with around 300 students and teachers participating.

Throughout the year, the Physical Education department organized various events, including inter-department tournaments in chess, kabaddi, cricket, Kho-Kho, volleyball, deadlift, and tug-of-war, involving approximately 714 students. The Annual Sports Day in February 2023 witnessed the enthusiastic participation of around 800 students, while the Annual Athletics Meet in February 2023 saw approximately 343 students competing. It's important to note that these events were successfully orchestrated under the able leadership of Shikha Ma'am, who played a pivotal role in coordinating and overseeing all aspects of these activities. Her dedication and guidance were instrumental in ensuring the smooth execution of these events and in nurturing the sporting spirit within the college community. Zumba dance was introduced, drawing the participation of about 150 students. Friendly matches in cricket, kabaddi, football, volleyball, and Kho-Kho promoted camaraderie among students. The department also represented the college in inter-college tournaments, with 28 students participating, and in All India University Trials across various sports, with approximately 42 students showcasing their talents.

Finally, the Department of Physical Education organized the Memorial Intra Shiv Shakti Sports Club Weightlifting Competition in 2023, with approximately 75 students participating, reinforcing the college's commitment to physical fitness and sporting excellence. In summary, the 2022-23 academic year was marked by remarkable achievements, enthusiastic participation, and a strong dedication to physical fitness within the college's dynamic sports community.

## EVENTS:

Throughout the academic year, the Department of Physical Education & Sports at Ramanujan College hosted a diverse range of sporting events and activities catering to student interests.

### INTER COLLEGE WALL PAINTING COMPETITION

It was open to all college students. Participants were supposed to submit their layout of wall art through google form within the given time. The event received massive participation of whopping 60 entries from 25 different colleges.

## INK OF THOUGHTS: A CALLIGRAPHY WORKSHOP

Brushstrokes organized an Intra-College GFCalligraphy Workshop, to help students acquire the necessary skills to master the concept of calligraphy. The event received 35 registrations, out of which a whopping 30 active attendees partook in the event. It was an interactive session.

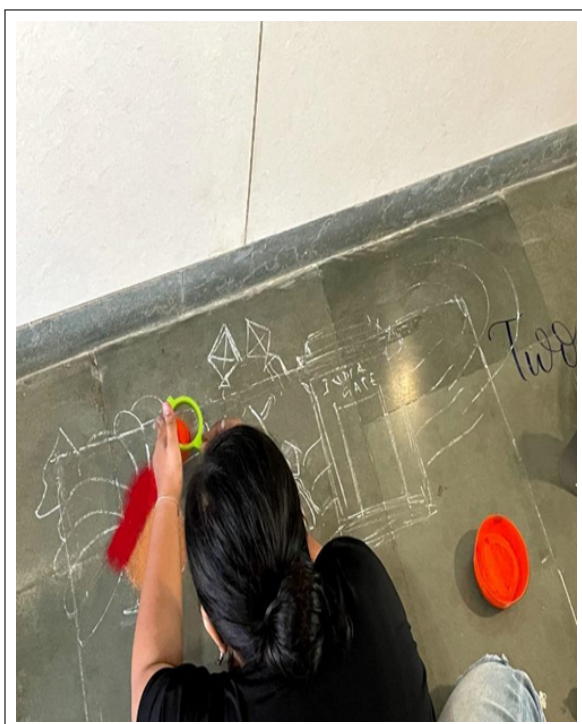

## INTER COLLEGE POSTER MAKING COMPETITION

On the occasion of Martyr's Day, Brushstrokes organized an Inter-college poster-making competition on campus, to pay tribute to our freedom fighters. The event received participation of whooping 22 students from different colleges across Delhi NCR.

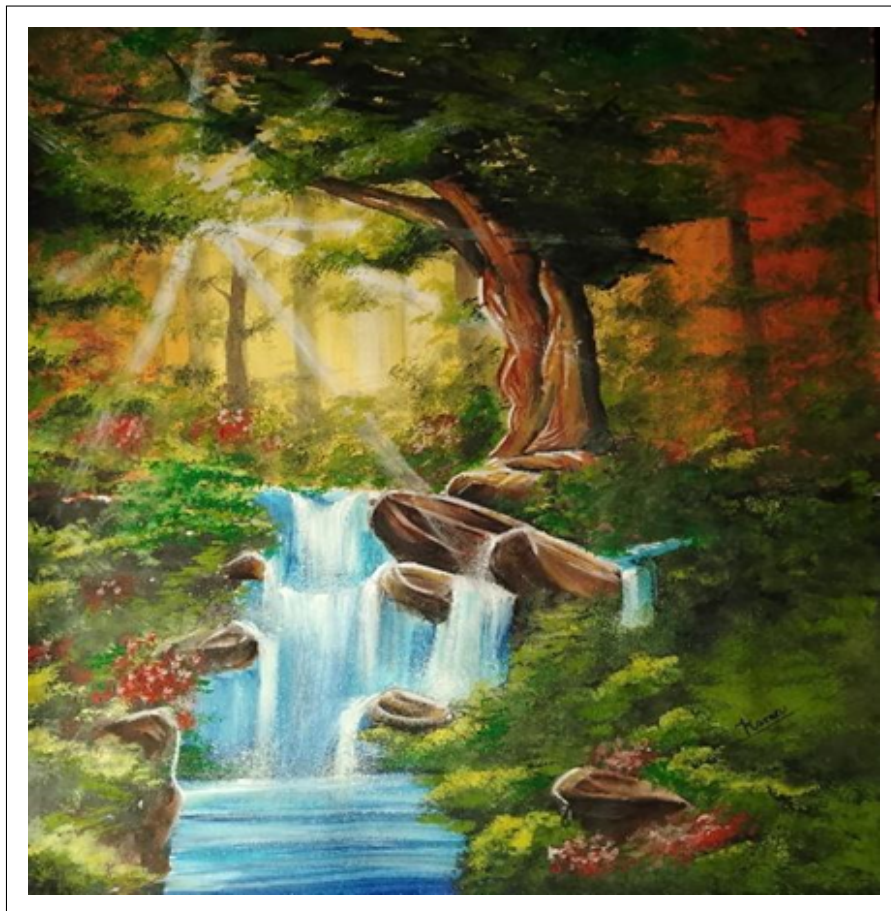

## INTER COLLEGE RANGOLI MAKING COMPETITION

Brushstrokes strives to promote art and artistic traditions by providing the budding artists with a platform. It was open to all college students. The event received 12 registrations and 9 teams took part in the event from different colleges.

## INTER COLLEGE MINI CANVAS PAINTING COMPETITION

This competition was open to all the students and only individual participation was allowed. Event received a whopping 78 registrations from which 22 candidates were shortlisted.

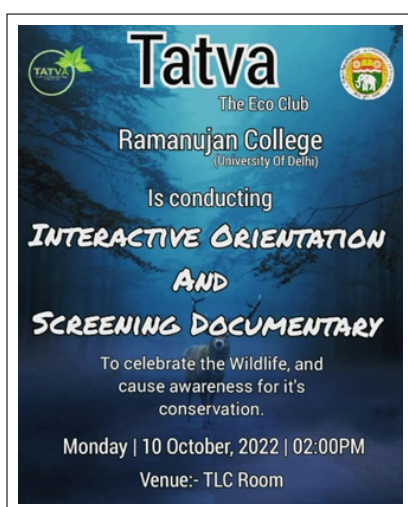

## 32. TATVA: THE ECO CLUB

TATVA: The Eco Club of Ramanujan College is determined to serve nature since its inception, which is the core motive of its formation as well. We at TATVA are always obliged to the planet earth and whoever takes pledge to serve it, by taking any eco-conscious step. We try to make positive on-ground changes for that we run various initiatives of different kinds bound to the cause of the Environmental goodwill and to accomplish our goals we acknowledge and comply with the United Nations' Sustainable Development Goals, especially, SDG 12, 13, 14, 15 & 17, viz., Responsible Consumption and Production, Climate Action, Life Below Water, Life on Land & Partnerships for Goals. Apart from these, we also strive to work in other diverse fields touching other SDGs and the fundamentals of reducing Socio-Environmental impacts. We have been doing a variety of actions from just brainstorming to climate strike, team discussions to public awareness, documentary screening to donation drives, educational sessions to Clean-up drives, Nature walks to Field visits and Potluck to Poster making and much more. TATVA works on the principle motto of 'Serve the Environment, Nurture the Nature' and hence to welcome anyone and everyone who wants to come and join the Club or just attend any event/ activity, we always say 'TATVA is always open for all'. The idea behind this thought is the Planet Earth only, as it is the only thing which we all share in common equally.

The Eco Club was running a bit off and went quite inactive during the lockdown and after the lockdown as well, it failed to follow up the pace. Thus, to re-initiate the club and to activate it, we started working from scratch and did the successful recruitment in September-October, 2022. A new team was formulated with a bifurcation in three teams; Management Team, Content and Creative Team, Technical Team with their respective heads and subheads of the departments as the subsequent Core team. It's always challenging to revive any society or club or gather the group, but we tried and ultimately achieved the activeness of the Eco Club.

### Orientation and Documentary Screening:

With an aim to raise Environmental awareness, we came up by organizing our first Orientation session with a documentary screening where all the attendees were requested to share their ideas, thoughts, and expectations from the Eco club. We

chose movie screening along with the orientation session because what's better than a movie to entertain as well as educate the audience. Enthusiasm and passion towards Environment is required in our mission of bringing change in society and to awaken these two, we screened the documentary based on 'Wildlife & Biodiversity', to educate the students about the needs of conserving biodiversity and also the threats faced by wildlife. The audience could connect to the issue and the pain of the animals on October 10, 2022 at 14:00 in TLC.

### Donation Drive and Environmental Games

On the occasion of Diwali, the Diwali Mela Fest 'Onella 2.0' was organized in the college where TATVA also put on a stall of fun and engaging games to educate people about the segregation of waste. The donation desk was also put alongside as well as the money collected on the games stall were also added to the donation. We accept Monetary donations, clothes and stationery which were donated by the students and the teachers with open arms. These supplies were then distributed among the children of underprivileged communities. This was a successful event with a cause and impact on October 18 & 19, 2022.

## Wings of Wonder Exhibition, WWF Delhi

WWF India organized an amazing platform for students and learners all around to visit the fabulous 'Wings of Wonder' exhibition, showcasing the amazing world of raptors and what they inculcate in our ecosystem, and how we can help to preserve these now vulnerable beings. This was an amazing learning experience with elaborative visual pictures and artefacts about the raptor's species in Delhi and India. 30 volunteers joined for the visit which was the maximum limit of the batch size by the World Wildlife Fund's program November 23, 2022.

Plant Based Treaty Combating Climate Crisis: A session & discussion With Climate Save India, Animal Save India & Plant Based Treaty. The aim was to raise awareness and discussions on climate change mitigation and eco-friendly food habits. The impacts of Animal agriculture and meat consumption on the climate and health was explained with facts and figures and the alternative ideas including the Vegan Lifestyle was introduced to the attendees.

It was a highly informative session taken over by our proficient speakers:

- Climate and animal right activists- Nayan Agarwal and Avantika Mathur;
- Writer, animal rights activist and sustainability educator- Rucha Gotarkar;
- Animal liberation activist, and food and art enthusiast- Himani Maurya.

Vegan refreshments from 'Loving Vegan Hut Paradise' brought by our kind speakers, were enjoyed by the students on December 8, 2022 at 12:00-14:00 in TLC.

### Movie Screening: Happy Feet

The screening of the Academy Award winning Best Animated Feature Film of 2007 "Happy Feet", directed by George Miller, was held in the college. The movie is an animated piece of art which shows the issues faced by the polar creatures like penguins and other birds due to anthropogenic activities and so-called developmental activities by humans. It very impactfully reflects the issues like plastic pollution in oceans, glacier melting, global warming, animal captivity, extinction and other such environmental issues created due to human involvement in nature. The movie screening event went well as it is a brilliant movie with a message and the ability to engage the audience on January 19, 2023 at 10:00 in TLC.

### Clean-up drive in Sanjay Vann

In our Clean-Up drive, 12 People from Tatva participated, 2 people from outside were mobilized by Tatva and there were volunteers of the collaborating organization 'There Is No Earth B' also. We Collected 70.1 Kg of Non-Biodegradable waste from the ecologically sensitive forest land and dumped them in the MCD's Dustbin, which

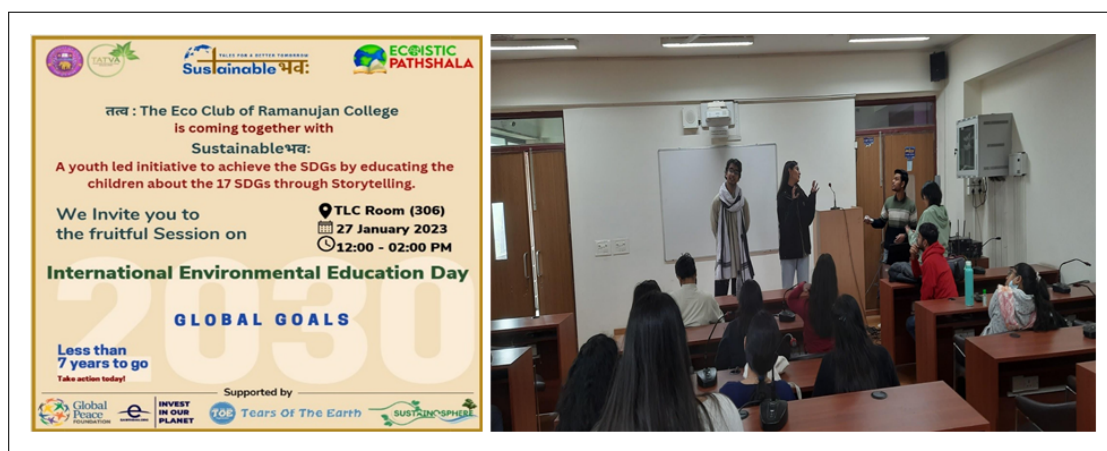

is outside the Sanjay Vann premises at a distance. After that our volunteers carried out the second round of waste collection which was not weighed.

After the Cleanup drive we also talked to people who came there for picnics and outings to sensitize them about the waste management and the hazards of littering in such an ecologically rich place. It was supposed to end at 12:30 PM but the determination and enthusiasm of our volunteers kept us active till 03:30 PM. It was such an impactful event on January 22, 2023 at 10:00 in Sanjay Vann.

### **International Environmental Education Day Storytelling session in collab with Sustainable भवः**

The world has set 17 Sustainable Development Goals (SDGs) to achieve by the year 2030, but for which we have very little time left in the Decade of Action, it is crucial that we take immediate action. The Sustainable Bhava project, led by young people in India, aims to raise awareness and educate students about the SDGs in order to encourage them to take action towards achieving the goals. The project highlights the importance of taking action now, as the world has only a limited amount of time left in the Decade of Action to achieve these goals. This collaboration is a crucial step towards raising awareness and supporting the SDGs and raising awareness among young people in India. However, this is just the beginning, and we must all take responsibility to be part of the solution. The volunteers of TATVA and Sustainable bhava together made stories around the SDGs and conducted an engaging activity of storytelling on January 27, 2023 at 12:00 TLC.

### **World Wetlands Day: Hauz Khas Lake visit**

Aimed to raise global awareness about the crucial role of wetlands for people and the planet. Tatva conducted a visit to the nearby wetland and had an informative discussion session afterwards. Our group discussed how crucial functions are performed by wetlands and how we can conserve and restore them!! Wetlands play a critical role in maintaining many natural cycles and supporting a wide range of biodiversity.

Wetlands are called ecosystem services and include water purification, groundwater replenishment, stabilisation of shorelines and storm protection, water storage and flood control, processing of carbon (carbon fixation, decomposition and sequestration), other nutrients and pollutants, and support of plants and animals. In the visit to the Hauz Khas lake, the members of the Eco Club participated willingly and had a holistic discussion over the condition and the importance of the wetland Clean-up Drive in Central Ridge Forest (12 February, 2023; 10:30; Ridge Forest).

Just like our clean-up drive at Sanjay Vann in January, we conducted this drive also in collaboration with 'There is No Earth B' organisation. It was a mega cleanup in which people from other organisations also joined the drive. It was a great step towards saving our environment from being harmed. A total of 62 enthusiastic participants including a team of TATVA, collected 694.97 kilograms of non-biodegradable waste from the Ridge Forest, Karol Bagh on February 2, 2023 at Hauz Khas.

### Potluck party

We at TATVA held a Potluck cum Discussion Session cum Society meet. With the aim of gathering people, have fun and make the Environmental actions more inclusive, we conducted this Fun gathering. As TATVA is always welcoming and open for all, students out of The Eco Club also joined the Potluck party. It was

such a fun-filled event with Healthy food, games, activities, Music and a lot of talks, as well as Discussions over Environmental Issues on February 22, 2023 at 12:00 in College Ground.

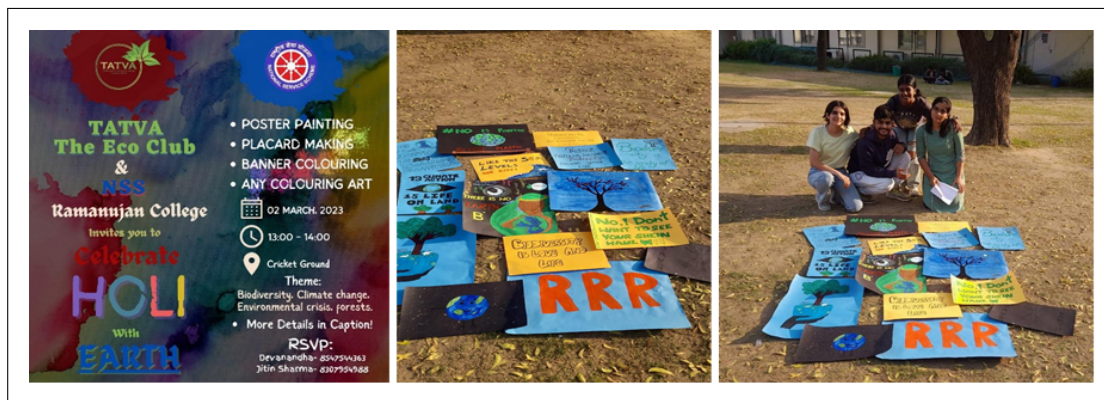

### Clean-up drive in Sanjay Vann

This was another clean-up in the series of cleaning the ecologically rich and sensitive forests of Delhi, in collaboration with the organisation 'There is No Earth B'. Our volunteers actively participated in removing the non-biodegradable waste from the reserved forest on February 26, 2023 at 10:00 in Sanjay Vann.

### Holi Celebration with Earth

Colouring Art to spread a message: Poster & Placard making Coloring is not only fun but also a means of bringing out your thoughts and display to the world,

it reflects your nature, creativity, intelligence, thinking capability and resilience as well. It is an art and a protest. We at TATVA embrace art as much as we love Nature. And also, that was the time of the festival of colours and Joy 'Holi'. So we celebrated it with the Earth by colouring the posters, Placards and Banners which were further used in environmental sensitization and awareness programs on March 2, 2023 at 13:00-15:00 in College ground.

### Global Climate Strike, New Delhi

We believe that the change cannot be brought only with the individual efforts, there has to be strong policies and institutions along with the active participation and dialogues between the stakeholders for sustainable development and fighting the climate crisis. Therefore, we joined the Delhi Chapter of the global movement led by Fridays for Future. Three of the members of Tatva actively participated in the Research team and conducted research over the environmental issues in Delhi and the potential solutions for them, the issues we targeted were Urban Heat Island effect (UHI) and Poor Management of Solid Waste and Plastic Waste. Then around 10 of the volunteers also participated in the protest strike on the day where the united eco warriors performed a march from ITO metro station to the Delhi Secretariat, performed some arts like Poetry and Chalk Graffiti, and presented the well-researched and detailed demands memorandum to the Government of Delhi on March 3, 2023 in ITO Metro Station to Delhi Secretariat.

To explore how Sustainable Development Goals (SDGs) and peace intersect? 'TATVA: The Eco Club' in collaboration with 'Youth Peace Club Ramanujan College' organised an enlightening Q&A session with resource persons from the Global organisations 'Global Peace Foundation' India and 'Earthday.org India' to explore the ways in which achieving the SDGs can contribute to building peace in our world. Our guests are experts in their respective fields and share their insights and perspectives on how we can work towards a more peaceful and sustainable future for all. From promoting gender equality and reducing inequality, to tackling climate change and promoting

sustainable economic growth, we also discussed how each SDG is essential to building a more peaceful world. To promote peace and involvement of people, we kept the Open Mic in the event in which students participated with so much enthusiasm and made it a big successful event where the audience had something to take away on March 13, 2023 at 12:00-16:00 in Ghalib Auditorium

### Earth Day: Public Dialogue

As a part of Youth Leadership Campaign of Fridays for Future Delhi, On April 22, 2023, Earth Day, Fridays for Future Delhi, in collaboration with Public Transport Forum, Delhi, and TATVA: The Eco Club of Ramanujan College, University of Delhi, hosted a "Dialogue Day" as part of their "Youth Leadership Campaign." We had a discussion focusing on the 'Inconsistencies in Delhi's public transport system, related problems faced by Delhiites, and the need to strengthen the public transport system'.

We were joined by an expert from the 'Public Transport Forum, Delhi', and the volunteers of 'Friday For Future, Delhi' at Lodhi Garden Bus stand where we interacted with random people of Delhi and built dialogues to understand the problems faced by them in using the public transport and sensitize them about climate change. We also used the mode of art with Chalk street graffiti to make people aware about the climate crisis and the impact of using Public Transport more over private vehicles in Lodhi Garden.

### Facilitation of special session on Solid Waste management

The Eco club of College of Vocational Studies (CVS) organised their annual flagship event 'Vasudha' where they conducted a lot of environment friendly events including a

speaker session on Solid Waste Management and Reducing Landfills. For the session, the eco club of CVS invited Jitin R. Sharma (President, Tatva) as the guest resource person, accompanied by Shreya Rana (Vice President, Tatva). The invitations were made through the channels of the Eco clubs, the session was successfully delivered and was indeed an impactful step. We at TATVA appreciated the initiative taken by the Green Brigade: eco club of CVS and congratulated them for the conduction of a successful event. These kinds of partnerships and shared initiatives are always embraced by us as part of SDG 17, Partnerships for Goals. TATVA is always inclined to educate people and the involvement of our members in this event was just a part of that thought.

The Session of 2022-23 has been successfully called to an off and the final year students were felicitated with the certificates of accomplishment and congratulated for the future endeavors with best wishes. Not just this, a new Core team has officially formulated simultaneously for the smooth flow of the operations in the eco club.

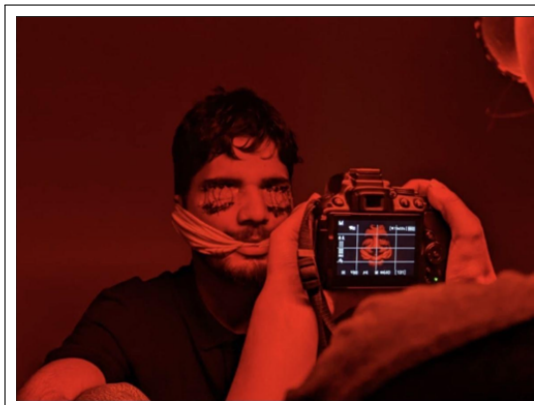

We further shall strive to work dedicatedly for the positive change for our environment and sustainable development and for the betterment of the society. We have obliged ourselves to serve for the only living planet Earth and shall be giving our best in educating the people of all generations, spreading awareness and working on the grassroot level as a strong group as well as individually on personal levels. We are always open for partnerships to achieve the shared goals and since we are a group of earthlings, we always welcome anyone and everyone who wants to join us or the movement. We invite you to be an eco-warrior and a caring child to mother Earth.

## 34. GIRL-UP SOCIETY

Girl Up Ramanujan, an initiative under the global movement of the United Nations aims to create a society where everyone irrespective of their gender, class, or caste feels empowered. With a team of strongly determined and passionate volunteers, the club keeps organizing events both inside and outside the college campus to generate awareness around the social issues of gender equality and encourage people to join the cause and contribute for building a more inclusive society.

Under the guidance of Ms. Omisha Sangeet (Convenor) and Ms. Rose Christina Topno (Co-Convenor), the team successfully organized the following events:

### PAD DONATION DRIVE

Girl Up Ramanujan organized a four-day pad donation drive, which was conducted from 18th to 21st October 2022. The drive was conducted with the motive to collect sanitary napkins and donate them to the underprivileged women, it was an initiative towards eradicating period poverty. Three places on the college campus, donation desks with large boxes set up.

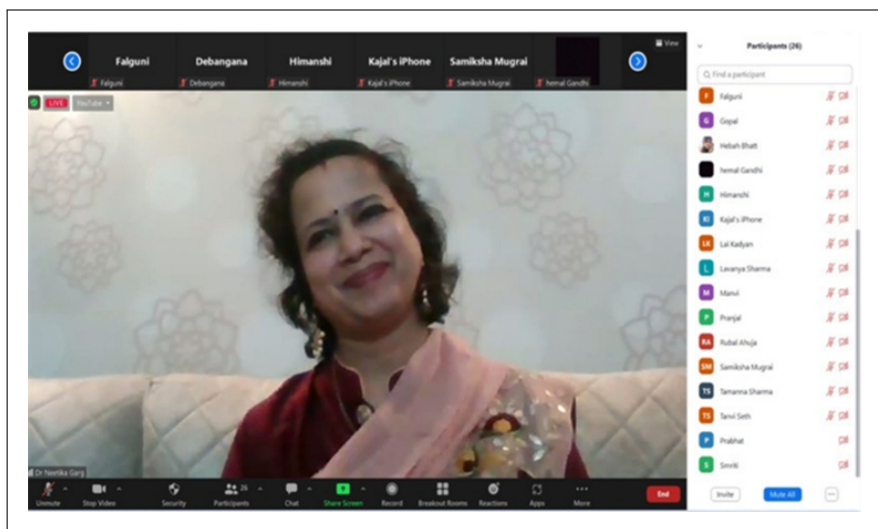

Pads were collected days before the actual donation drive at Coolie camp, Vasant Kunj on 14 November 2022. More than 450 pads were collected within four days and were distributed among the women at Coolie camp, the ladies were provided informative information about feminine hygiene including topics like reproductive health, etc.

### PREVENTATIVE HEALTH TALK FOR YOUNGSTERS

Girl Up Ramanujan organized a webinar on Preventative Health Talk for Youngsters on 11 February 2023, Saturday. Dr. Neetika Garg, MBBS, M.S (Obs & Gynae),

currently practicing at Shivam Care Centre and Hospital, Aligarh was invited to enlighten the young minds about many important topics including topics like Cervical cancer, Breast cancer, PCOS etc. Preventative health talks for youngsters are crucial in promoting their well-being, empowering them with knowledge and skills, and fostering a proactive approach to health. By addressing various health topics and providing accurate information, these talks lay the foundation for a healthier future and help youngsters make informed decisions to lead fulfilling lives.

## SESSION ON GENDER SENSITIZATION

Girl Up Ramanujan organized an interactive session on Gender sensitization on Tuesday, 21st February 2023. Mrs. Vinod Jindal, the former Director of the Ministry of Urban Development was our honorable speaker for the workshop. The motive of the workshop was basically to educate the youngsters about gender equality and making them aware about the banality of the views that people hold about different genders.

Gender sensitization refers to the idea of gender sensitivity, where gender roles are acknowledged, privilege and discrimination among genders are identified and most significantly gender awareness is created. Gender sensitization is of utmost importance in fostering equality, promoting inclusivity, and addressing the systemic biases and discrimination based on gender. It plays a vital role in creating a society where individuals are respected, valued, and provided with equal opportunities, regardless of their gender identity.

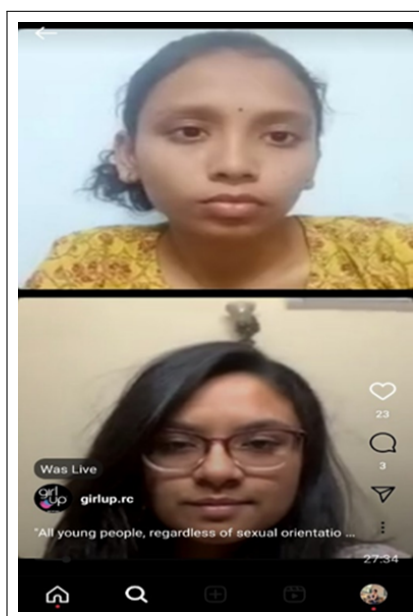

## PAINTING COMPETITION AND MOVIE SCREENING

On March 13, 2023, Monday, Girl Up Ramanujan hosted a painting competition

and a movie screening in honor of Women's Day 2023 in collaboration with the Institution's Innovation Council. Six students from Ramanujan College and one student from Shivaji College participated in the painting competition. Afterwards, the teachers, participants and volunteers attended the screening of the 2019 movie documentary 'She Did That' directed by Renae Bluitt in the TLC Room. The movie screening ended with a feedback session wherein the attendees shared their thoughts on the movie.

## INSTAGRAM LIVE ON THE MENTAL HEALTH OF THE LGBTQ COMMUNITY

Girl Up Ramanujan organized an Instagram live session on the topic 'Mental Health of LGBTQ Community' on 8 May 2023 at 5:30 pm. The event aimed to raise awareness, foster understanding, and explore strategies to support the mental well-being of LGBTQ individuals. LGBTQ+ individuals often face higher levels of discrimination, prejudice, and stigma compared to their heterosexual and cisgender counterparts. Disparities in accessing LGBTQ-affirming healthcare services and other problems were discussed along with the possible solutions. By recognizing the importance of mental health within the LGBTQ+ community, we can work towards creating a society that is inclusive, supportive, and affirming for all individuals, regardless of sexual orientation or gender identity.

## SAGAR NAGPAL MEMORIAL NUKKAD NATAK COMPETITION 23

### Decennial Edition

In 2020, the tenth edition of SNMNNC couldn't find its completion, so the 2023 batch decided to revive and give life to our prestigious flagship event. The Sagar Nagpal Nukkad Naatak Competition prelims took place on March 28 at Ramanujan College. Many teams across Delhi came and participated. The Sagar Nagpal Nukkad Naatak Competition finals took place on April 2nd at Sunder Nursery. 60+ teams

from and out of DCTC registered for the prelims of SNMNNC-X, out of which 10 teams were selected to perform in Finals.

Each team delivered a powerful and thought-provoking street play based on their respective themes. The performances were characterized by creativity, impactful storytelling, and a strong connection with the audience.

The Sagar Nagpal Nukkad Natak Competition was a resounding success, achieving its objectives of promoting social awareness, providing a platform for budding artists, and engaging the community. The event showcased the potential of street theater as a powerful medium for delivering impactful messages and fostering positive change in society.

### Farewell

On May 28, a farewell event was conducted for 3 of our 3rd years who successfully completed their academic tenure and showed their hardwork and dedication towards the society.

## Conclusion

In closing, our Jazba Theatre Society's journey over the past year has been one of inspiration and innovation. The dedication of our members, the support of our community, and the passion for the performing arts have once again brought our stage to life. As we look to the future, we are excited to continue our mission of enriching lives through theater. Thank you for being a part of our story, and we can't wait to see what the next act holds.

## 46. WOMEN DEVELOPMENT CELL (WDC)

### MOVIE SCREENING

The Women Development Cell of Ramanujan College, Delhi University organised a Movie Screening Event of the movie 'Suffragette.' The event took place on August 30, Tuesday at 1:00p.m. The main purpose of the event was to educate and enlighten the students about how women have been struggling for their basic rights for such a long time. The event took place in Ghalib Auditorium. Over 63 Students became a part of the event and not only girls but also boys (almost 36% of the audience) saw the movie with equal amount of enthusiasm.

Yashasvi, a member of the society, welcomed everyone and gave a brief introduction about the theme of the movie. She then invited Ms. Hemlata, Convenor of WDC to address the gathering. Ms. Hemlata once again welcomed everyone and discussed how Women Empowerment has become the need of the hour.

Ms. Anjali Prasad, Faculty Member was then invited to speak. She enlightened the students more about the thought behind this movie and Women Empowerment.

This was followed by the movie screening-This film is a historical drama about the women who were willing to lose everything in their fight for equality in early-20th-century Britain. The film is inspired by true events of those who risked all they had for women's right to vote - their jobs, their homes, their children, and their lives. Set in London across the late 19th and early 20th century, the film focuses on a turning point of the Suffragette campaign for the vote for women, from peaceful protest to aggressive demonstrations. Seen through the eyes of working-class factory worker Maud, newly recruited to the movement despite her husband's disapproval, she is drawn into the underground workings of the organisation as it develops more radical means of protest. Mirrored by government pressure on police to increase surveillance and punishment of the Suffragettes, Maud's faith in the movement is tested to the limits in this breath-taking fictionalisation of true events that changed the course of history.

The screening was followed by a discussion on objectification of Women and how important it is to come forward and raise one's voice against injustices. Several participants like Himanshu, Tannu, Mayank, Poushali etc. came forward and shared their opinions. The movie made each participant to introspect and be thankful about how privileged they are, also to keep on fighting against such injustices in the future too. This discussion was led by Ms. Anjali Prasad and she even shared her valuable thoughts with all the participants.

Refreshments were distributed among all the attendees and Ms. Anjali Prasad gave a vote of thanks towards the resource person, the organising committee, all the participants, and the WDC team for their valuable time and efforts invested in this insightful event.

The feedback of the students was amazing. They really encouraged the fact that through a movie they got to know the struggle which was made by women earlier.

They also stated that it was an extremely fun learning experience for them and they would encourage more such events to take place in the future.

### **ANTI SWEAR BRIGADE WORKSHOP**

The Women Development Cell of Ramanujan College, Delhi University organised a seminar with FIFE Organisation under their Campaign 'Anti Swear Brigade' with the objective of educating the youth about the effects of using abusive language and swear words, and its association with misogyny. The event took place on 6 September 2022, at 2 p.m. in the Ghalib Auditorium with over 30 students. The event started with a warm welcome by Pragya, a volunteer of WDC. She welcomed all the attendees and then the speaker for the day Ms. Shubhika with a bouquet. Afterwards, Ms. Shubhika started the seminar. To make all the participants comfortable she started the seminar by playing little games like pass the ball, Rapid Fire etc. with the participants.

She then starts talking about what is bad in using abusive language and how you drag the family of the other person also when you abuse somebody. She also talked about the types of abuses and how it is ethically and morally wrong to abuse someone. She enlightened the students on how they can control their anger issues. Additionally, she shared how movies and songs have become a bad influence to the younger generation and the importance of stopping this type of content from reaching the youth. She also shared her personal experiences with the attendees to give them a better understanding.

Lastly, Ms. Hemlata and Ms. Anjali also shared their views on the topic with the students. They shared that abusing is equally done by all the genders and it is time that it must be stopped. At the end, A vote of thanks was given to the speaker and all the attendees and refreshments were distributed.

### **LECTURE ON STRENGTHENING PROTECTION MATRIX THROUGH WOMEN CENTRIC LEGISLATION**

The Women Development Cell of Ramanujan College, Delhi University organised a Lecture on Strengthening protection Matrix Through Women Centric Legislation. This Lecture was delivered by honourable speaker Dr. Sumana Raychaudari, Associate Member of ICSI. The event took place in the Ghalib Auditorium at 12 p.m. on September 23, 2022. Over 60 Students attended this lecture with a lot of curiosity in their minds regarding the topic.

The event started with a warm welcome of all the attendees and the speaker by Khushi Yadav, Volunteer of WDC. This was followed by a brief introduction of Dr. Sumana Raychaudhari. After which, a bouquet was given to Dr. Sumana by Dr. Rachna Gupta, Professor, Ramanujan College. Then Dr. Suman was invited to deliver her views.

She started by talking about the Vishakha Guidelines and gave reference to The Bhanwari Devi Case of Rajasthan. She told students about Bhanwari Devi's Bravery and how the lady protested against the gujjars of Rajasthan for Remarriages. Further she added that even after being raped by these people for raising a voice Bhanwari did not lose hope and protested.

Dr. Sumana further enlightened students about article 14 and article 21. She then questioned the students about their understanding of sexual harassment and took their inputs. She made the students aware about how they can stand up against such harassment and even shared her personal experiences.

The teachers of the Women development cell also actively took part in the lecture. Dr. Madhu Dutta enlightened the students about the Internal Complaint Committee of Ramanujan College and encouraged them to speak up against any harassment that they might face especially in college.

Ms. Sumana also gave the idea for the She Box to be installed in every work place where one can anonymously leave their messages. She even emphasised on the importance of good verbal language for a better future. Lastly, she clarified all the doubts of students as well as the teachers on this topic and attended her lecture with a short but highly effective quote

---

“We are the change”

---

To end the event a vote of thanks was given by Dr. Rachna Gupta to the speaker for delivering such an insightful session and all the attendees listened so patiently. Refreshments were distributed.

The overall feedback of the event was quite good. Majority of the attendees liked it and found it informative. (85%). However, there are some people who enjoyed the lecture a little less and their feedback are taken and WDC would surely work to improve and conduct more such lectures on different topics in the future.

## ONELLA REPORT

In collaboration with the following:

- Essenzia and Wings (Dept. Of Economics).
- Cultural Committee.
- Internal complaints committee.
- EduCen (Dept. Of B.Voc).
- Student Union and Discipline Committee.

The Women Development Cell, Ramanujan College, Delhi University participated in the organization of ONELLA 2.0 - Diwali Mela which took place on 19 October 2022, Wednesday 10 p.m. onwards.

The purpose of the mela was for students to enjoy the festivities and participate in various activities. The event took place inside the college campus on the volleyball ground. The event was open to all the students of the college and saw everyone dressed up in ethnic dress code ready to indulge in the activities and filled with the spirit of Diwali.

The event gave students a chance to celebrate Diwali with their friends and understand its importance. The event started with a welcome speech and lighting of the diya by Principal Sir which was followed by various students sharing their talents on the

stage. Many songs and dances were enjoyed by the audience.

There were stalls put up by students and societies that sold things such as diyas, jewellery, face painting, Kurtis, etc. All the money transactions were made easy by the coupon system to reduce the money flow among the students. Some stalls also conducted games such as paper dance in which the winner was awarded cash prizes and such.

The women development cell also created a photo booth room for students to click creative photos. The photo booth was all made by enthusiastic members of the creative department from WDC. There were many different types of props available for others to click photos and videos and WDC also contributed towards food stalls and volunteered. WDC also invited some outside businesses to put up food stalls, book stalls, and coffee karts.

We saw a lot of participation of students dressed up in Indian attire to play games, eat at stalls, and dance their hearts out. The event was a huge hit and ended with students dancing to the beats of the DJ and taking a break to enjoy life. We hope it created an understanding that Diwali is all about togetherness and bringing light in every aspect of life.

## **BREAST CANCER AWARENESS REPORT**

The Women Development Cell of Ramanujan College, University of Delhi organised a campaign on Breast Cancer to support the Breast Cancer Awareness month of October. The good cause took place on October 31st, 2022, near the canteen area of the college. The drive's motive was to spread awareness about breast cancer. The drive enlightened the students as well as staff members by distributing pamphlets that talked about the symptoms of breast cancer so that it can be detected at an early stage. The volunteers of the women development cell talked to people and discussed how important it is to spread awareness on this issue and how many lives could be saved if there is early detection and proper treatment of cancer patients.

To further extend a helping hand to anyone who is suffering from this deadly disease, WDC also provided contact details of specialized doctors who can help them to detect and cure Breast Cancer. It was a very proud moment to see both girls and boys actively participate in this good cause with an equal amount of enthusiasm. To show further support, the volunteers distributed pink ribbons to the students and staff which are the international symbol of breast cancer awareness, and also clicked pictures wearing the ribbons.

Overall, the drive was a big success and we are sure that it made a huge impact on everyone. We must never forget that

### A mission to impart happiness to live life fully

New Delhi, Focus News: The School of Happiness, Ramanujan College, University of Delhi organized an interactive session and poetry competition under the 'Live Life Fully' noniter. The event was graced by Mr Sandeep Sadhu, Country Manager at India Liaison Office, Prof. S. P. Aggarwal, principal Ramanujan College, Dr. Madhu Batta, Convenor, School of Happiness and faculty members. The programme started with a small lamp lighted ritual followed by a soulful rendition of the Sarawati vandana. Mr. Sadhu and principal sir were then felicitated with principal sir extending a warm welcome to the speaker and all attendees. After an address by Dr. Madhu Batta, Mr. Sadhu took over the dais. He expressed his admiration for the School of Happiness and its mission and encouraged the audience to explore their own source of happiness and channelise their energy in focusing on the present rather than the past or future. He also emphasized the need to appreciate one's family and interacted with the students on ideas such as the difference between laughing and actually being happy, experiencing the little things in life and finally the importance of being organized. Mr. Sadhu concluded his talk by encouraging the audience to think about the ideas raised and to explore what makes them happy. The session was followed by the poetry competition with the judges, Ms. Omisha Sangeet and Mr. Vikas, being facilitated by Dr. Madhu Batta. The competition saw poetry recitation by Rahma Saroor, who in her poetry talked about independence and also raised some important questions, Sakshi, who recited an enthralling piece in the father of our nation Mahatma Gandhi, Sonam, who used her poetry to express her love for her family, followed by Bimal and Krishna who both used their words to speak about the complex emotion of love. While Sakshi walked away with the first prize, Rahma received the second prize. Sonam, Bimal and Krishna were awarded with consolation prizes. The programme was concluded with a vote of thanks by Ms. Surbhi Gautam who appreciated the talent of the participants while congratulating the managing committee for a successful event.

# ABOUT RAMANUJAN COLLEGE

Ramanujan College is a constituent College of the University of Delhi (DU). It is inspired by the life and work of Srinivasa Aiyangar Ramanujan, one of the world's greatest mathematicians. The College has been accredited Grade "A++" by the National Assessment and Accreditation Council (NAAC) in its Second Cycle. The College was established in 1958 as an evening college for boys with just five programmes. At present, it offers sixteen undergraduate programmes in different disciplines. This achievement, in alignment to the recommendations of the National Education Policy (NEP) 2020, makes the College a centre for interdisciplinary studies and research with a future focus on blended learning. In pursuit of its vision: "Discover, Empower, Transform: Building A Better World", Ramanujan College is today perceived as one of the best colleges in the country.
