MINUTES OF MEETING

An online meeting (over ZOOM video-conferencing) of the newly constituted IQAC was held on 6 April 2020.

Dr. K. Latha, Director IQAC, gave an overview of the seven-day Faculty Development Programme on 'Teachers, Teaching and Taught: Discovering New Meanings, Relationship and Purpose' conducted by the IQAC for all the faculty members of the College, from 1 to 7 January 2020. This was a unique achievement for the College.

The following decisions were taken:

1. In the context of the COVID-19 pandemic and the sudden closure of educational institutions, the MHRD and the UGC have intensified efforts to have a strong virtual engagement with the students. The teachers are expected to continue teaching learning online and digital platforms, e-mail, Google Classroom and video conferencing.
2. It is the timely need to equip the teachers with modern technologies of e-learning to enable them to manage online classes, with special emphasis on Massive Open Online Courses (MOOCs), keeping in view their immense reach and benefits.
3. The Teaching Learning Centre at Ramanujan College, University of Delhi, will offer a series of Faculty Development Programmes on "Managing Online Classes and Co-Creating MOOCs" for faculty members and research scholars of higher education in the country.
4. The first FDP, from 20th April to 06th May, 2020, will be completely managed online on a trial basis and free of cost, to check the feasibility of such programmes in future.
5. Based on the response and cost involved, a nominal fee will be charged from the participants for future programmes.
6. Since it will be difficult to conduct the one-month Faculty Induction Programme, scheduled for June 2020, within the College premises, the same is to be conducted online.
