PRINCIPAL'S REPORT

Dear colleagues, students and friends,

This is the second year in a row that we are not able to hold the Annual Day of the College and the Annual Report 20-21 of the College cannot be presented to you in person. It is indeed unfortunate that Covid 19 has impacted us in such an unprecedented manner. We live in very uncertain times. There is again a rise in Covid 19 cases after a decrease

a few months ago. We are not sure as to how this pandemic will pan out in the future. We can only hope for better times.

In the wake of the impending crisis and lockdown in March 2020, all the faculty members of Ramanujan College were promptly provided training to develop e-content and use new technological advancements like Google Classroom, Zoom Application, Google Meet and Google Hangout to facilitate the smooth conduct of teaching in the online mode. Since August 2020, the College has adopted the Microsoft Teams platform for holding online classes. Talks, discussions, guest lectures, webinars, e-resources, quizzes and online evaluation process, on a single platform of Microsoft Teams has ensured efficient functioning of the institution.

I am happy to inform you that Ramanujan College has become a pioneer in offering online courses for faculty members of HEIs and research scholars through the customised Learning Management System (LMS), designed by

the College's Research Development and Services Cell. It is predominantly participant-friendly and incorporates evaluation methods and comprehensive feedback systems to judge learning outcomes. The LMS is hosted on CLOUD with high scalability and reliability. The College has installed its own CLOUD infrastructure to host its servers for research and data analysis.

During lockdown, all the TLC training programmes have been shifted to online mode. The first free trial online programme, received an overwhelming 16,000 registrations. However, after the successful conduct of the first programme the Teaching Learning Centre, Ramanujan College organized 65 online programmes in 2020-21 including one to three-week discipline-specific Faculty Development Programme/Refresher Courses, one to three-week courses on research and ICT and four-week Faculty Orientation/Induction Programmes for newly recruited teachers. Within a span of one year, the Teaching Learning Centre of Ramanujan College has trained more than hundred thousand teachers across India and abroad. The college has signed MOUs with a number of colleges from the University of Delhi and other universities of the country for conducting collaborative Faculty Development Programmes. The college has created meaningful and quality content for the masses which can be accessed via the official YouTube channel of Ramanujan College. The channel already has more than 22,500 subscribers and 78,00,000 views.

The college has been admitting students in the newly approved B.Sc. (H) course on Environmental Science from the Academic Session 2020-21.

To recognise research contributions, the IQAC of the College has instituted financial incentives for faculty members for publishing research articles in Scopus and Web of Science Journals. I feel proud to inform you that around 30 members of our teaching faculty have published in Scopus or Web of Science accredited journals in the year 2020-21.

Compulsory personality development course has been introduced for students of all disciplines to groom and make them industry-ready and employable.

Our students have been doing exceedingly well in academics and this year too the results are very encouraging. I congratulate all the students who have worked hard and performed well in the exams and moved on to greater heights of achievements. I must mention the students who have done exceedingly well in academics.

The following students have done exceeding well academically.

Rishabh Jain scored a grand CGPA of 9.635 in B.Sc. (H) Mathematics

Anirudh Sen Sharma scored a grand CGPA of 9.176 in BA (H) Economics

Surbhi Jain scored a grand CGPA of 8.743 in B.Com. (H)

Ashish Verma scored a grand CGPA of 8.622 in BMS

Sakshi Singh scored a grand CGPA of 9.444 in B.Voc. Banking Operations

Kavita Srivastava scored a grand CGPA of 9.5 in B.Voc. Banking Operations

Smridhi Seth scored a grand CGPA of 8.595 in BA (H) Applied Psychology

Mohd. Zeeshan Khan scored a grand CGPA of 8.27 in BA (H) Philosophy

Deepali Baweja scored a grand CGPA of 8.106 in B.Com.

Kavita Masuria, a student of BA (H) Philosophy of Ramanujan College (Batch 2017-2020), received the “Indian Philosophical Congress Medal for BA (Hons)” for the year 2020 by the University of Delhi for securing the highest percentage of marks in BA (H) Philosophy Examination with first division.

Arya Gupta, alumni of the college (B.Tech. Computer Science, Batch 2013-17) has been selected for PhD degree in Computer Science in the Department of Computer Science and Engineering at Michigan State University, beginning on August 16, 2020 for the Fall 2020 semester with full financial support (which includes stipend, health insurance, and tuition waiver).

Two other alumni of Batch 2017-20 of Department of Applied Psychology are pursuing higher studies in George Brown College, Canada and University of Surrey, United Kingdom. Students from the Department of Mathematics, Department of Philosophy and the Management studies have secured admission in various prestigious institutions of higher studies in the country including the IITs and IIMs of the country.

In the year 2020-21 More than 350 students undertook internships in various business organisation and got valuable exposure and experience. In this year 26 companies visited the campus and 66 students were placed with jobs.

Many teachers of the College have been invited as valued resource persons and keynote speakers in national and international academic events in 2020-21. Teachers have organised seminars and workshops and conducted Faculty Development Programmes.

The Department of Commerce has published the 5th edition of its "Ramanujan International Journal of Business and Research." (ISSN: 2455-5959, UGC Listed No. 48778). The peer-reviewed "International Journal of Applied Ethics" published its 7th Volume (ISSN 2321- 2497).

The college has been awarded a number of research projects in this year. The Pandit Madan Mohan Malaviya National Mission for Teachers and Teaching, Ministry of Education has awarded a two year Teacher Learning Centre Project on "Innovation in Higher Education System in India: An Exploratory Study" is one of them.

The College organised a number of seminars, workshops and lectures where eminent scholars were invited to deliver lectures and conduct workshops. A special conference on "National Education Policy-2020, Educators & Indian Youth: Challenges & Insights", was organised.

The College has been very proactive policies towards the environment and sustainable development. Under the directive of the UGC and the MoE, the College has entered into a MoU with Oakridge Rooftops Pvt. Ltd. for Generation of 130 KV power through the installation of rooftop solar power panels.

The college is working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

The Outreach Programme Committee of Ramanujan College has been very active right through the year and organised a number of very

successful programmes with the objective of reaching out to the larger society and bringing about a positive change in the lives of the people.

Two Library Kiosk Dual Core have been placed for OPAC-based search of databases of books and journals. This has eliminated the need for manual searching. The library has created a webpage within the College website, linked to all the e-resources subscribed by the College. This has been especially useful during the pandemic induced lockdown. A widescreen LED television has been placed at the reception counter of the library, which is used to display important information, rules and regulations of the library in a loop. The College has invested ten KINDLE e-book readers for students and teachers.

The College is due for its NAAC Cycle II assessment. Though the pandemic induced lockdown has delayed the process, nevertheless preparations for the submission of the Self Study Report is going on in full swing and systematic collection and analysis of data is being undertaken.

The year 2020-21 has been challenging for the institution. We are glad that we were successful in taking up the challenges and overcoming them often by turning an adversity into an opportunity. New solutions had to be devised in order to counter unforeseen circumstances. I am glad that with the cooperation of the teachers, the non-teaching staff of the college and the students the college has moved to greater heights and paused to leap into becoming one of the best institutions of the country.

DR. S. P. AGGARWAL
PRINCIPAL.

I wish all of you remain safe and healthy. With best wishes and many thanks.

INTERNAL QUALITY ASSURANCE CELL (IQAC)

The IQAC of the College has been incessantly engaged in evolving concrete mechanisms to enhance and ensure the quality sustenance of the College. The lockdown, induced by the pandemic, was certainly a challenge that the IQAC transformed into an opportunity to optimize the online mode and creatively devise programmes to realise the goal of overall development of the institution. Following are the initiatives undertaken in the academic session 2020-21:

- Enabled the adoption of Microsoft Teams as a singular institution-wide platform for conduct of online classes, and management of entire teaching-learning process. It is being used for all courses, and over 3000 students in a seamless, secure manner. Training programs were organised for all stakeholders, and the queries/technical issues of both students and faculty members were promptly resolved.
- A series of one-month Faculty Induction Programmes (FIPs) and one/two weeks interdisciplinary and discipline-specific Faculty Development Programmes (FDPs)/refresher courses have been conducted by the Teaching Learning Centre (TLC), Ramanujan College, under the Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT) scheme of the Ministry of Education (MoE). A total of 9 FIPs and 64 other capacity building programmes were conducted for teachers across the country.
- Dr. K. Latha (Director, IQAC), Dr. Nirmalya Samanta (Member, IQAC and Convenor, NAAC Committee) and Dr. Aparajita Mazumdar (Member, IQAC) successfully completed a three-month Professional Certificate Course on Development of Institutional Quality (3 August - 10 November 2020), organized by IQAC Cluster India in collaboration with WhiteCode.

- The 5th edition of the “Ramanujan International Journal of Business and Research” (ISSN: 2455-5959, UGC Listed No. 48778) was published by the Department of Commerce.
- The peer-reviewed “International Journal of Applied Ethics” published its 7th Volume (ISSN 2321- 2497).
- The external IQAC audit was conducted on 3 March 2021, with the following External Audit Committee Members:
 - o Prof. Aditya Prasad Padhi (Former Vice Chancellor, Berhampur University)
 - o Prof. Ujjwal Kumar Singh (Department of Political Science, University of Delhi)
 - o Prof. Madhu Vij (Faculty of Management Studies, University of Delhi)
- In preparation for the upcoming NAAC Cycle II, a series of online meetings (NAAC Core Committee and various Departments) were conducted to systematically collect and analyse data to expedite the drafting and finalization of the Self-Study Report (SSR) of the College. The Committees have been working round the clock to ensure seamless and timely submission.
- Student Group Health Insurance and Personal Accident Insurance Scheme were introduced. Ramanujan College is the only College in the University of Delhi to have an insurance scheme for all the students, with an annual premium of more than Rs. 20 lakhs only.
- Comprehensive feedback was taken from all students, for the academic session 2019-2020, regarding all aspects of the teaching-learning process, and infrastructure-facilities available in the College. The Feedback Committee submitted a detailed analysis of the feedback, which was then notified to the individual teachers and relevant committees for taking necessary actions.
- In view of the interdisciplinary thrust of the New Education Policy (NEP) 2020, restructuring the Academic Administration of the College has been initiated for efficient and harmonious functioning of the academic affairs of the institution, with earmarked duties and

responsibilities. The draft policy proposes the formation of a six-member Academic Committee of Schools and the reorganization of all the Academic Departments of the College into three Schools (School of Business, School of Humanities and Social Sciences and School of Sciences), each headed by a Coordinator/Joint Coordinator.

- A proposal has been initiated for the purchase of Private on-prem CLOUD with Kubernetes MultiCluster support to host the in-house developed Learning Management System, enabling multiple programmes to run simultaneously and support a large number of participants.
- The following MOUs were signed with colleges of the University of Delhi and other universities of the country for conducting collaborative FDPs:
 - o Shaheed Bhagat Singh Evening College, University of Delhi
 - o Motilal Nehru College Evening, University of Delhi
 - o Shivaji College, University of Delhi
 - o Mata Sundri College, University of Delhi
 - o Janki Devi Memorial College, University of Delhi
 - o Ram Lal Anand College, University of Delhi
 - o Mahatma Gandhi University, Nalgonda, Telangana
 - o Sri Venkateswara College, University of Delhi
 - o Davangere University, Karnataka
 - o Armapore P. G. College, Kanpur
 - o Atma Ram Sanatan Dharam College, University of Delhi
 - o Christ Arts, Science & Commerce College, Rajkot, Gujarat
 - o Government First Grade College, Titpur, Karnataka
 - o GNIOT Institute of Management Studies, Greater Noida, Uttar Pradesh
 - o Smt. Radhadevi Goenka College for Women Akola, Maharashtra
 - o Pandit Jawaharlal Nehru Mahavidhyalaya, Aurangabad
 - o Karmaveer Bhaurao Patil Mahavidyalaya, Pandharpur, Solapur
 - o Shri Muktanand College, Gangapur
 - o Sibsagar Girls' College, Sivasagar, Assam

- A MoU was signed with the Internet College, Mathematics Science Foundation, for content development and conducting teaching and related activities to augment online delivery of education.
- An MoU was signed with Oakridge Rooftops Pvt. Ltd., under the directive of the UGC and the MoE, for Generation of 130 KV power through the installation of rooftop solar power panels.

Library Initiatives

- Two Library Kiosk Dual Core have been placed for OPAC-based search of databases of books and journals. This has eliminated the need for manual searching.
- Around 30 LAN connected desktops have been installed in the students' reading room and faculty lounge, with Wi-Fi and internet facilities. These computers are used to access the various library links that the College has subscribed to, like the N-List, DELNET, NDL and NPTEL.
- A library webpage has been created within the College website, linked to all the e-resources subscribed by the College. This has been especially useful during the pandemic induced lockdown. Webpage Link: <https://sites.google.com/view/e-libraryrmj>
- A widescreen LED television has been placed at the reception counter of the library, which is used to display important information, rules and regulations of the library in a loop.
- 10 KINDLE e-book readers have been purchased for students and teachers.

Executive Development Programmes for students

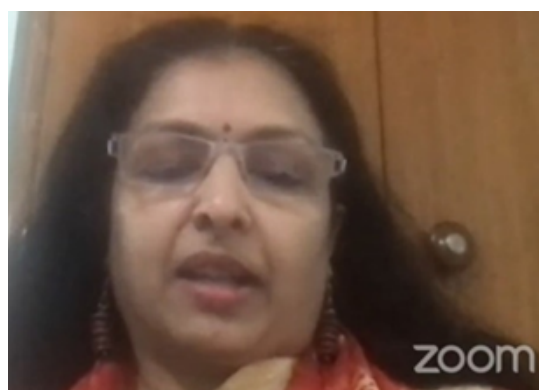

- 7 Days online course on 'Microsoft Excel: Zero to Hero' with Mathematical Sciences Foundation (21 September - 7 October, 2020) (Number of Participants: 303).
- 25 Hours online course on "Research and Data Analysis 2.0 using R and MS Excel" (27 January - 6 February, 2021) (Number of Participants: 126).
- 6-Month Certificate Course on Happiness (1 February 2021 onwards) (Number of Participants: 61).

8TH ANNUAL RAMANUJAN MEMORIAL LECTURE

Ramanujan College celebrated the 133rd birth anniversary of Srinivasa Iyengar Ramanujan as the Foundation Day of the College on December 22, 2020. To commemorate the day, the 8th Annual Ramanujan Memorial Lecture was delivered by Prof. Ujjwal Kumar Singh, Department of Political Science, University of Delhi. The occasion was graced by Prof. Geetha Venkataraman, Professor of Mathematics, Ambedkar University Delhi as the Guest of Honour.

The event was held in the Ghalib Conference Room of the College, which was broadcasted Live on the official YouTube channel of Ramanujan College (<https://youtu.be/9ElzzyRwnSs>).

The Programme began with the Lighting of the Lamp and felicitation of the guests by Dr. S.P. Aggarwal, Principal, Ramanujan College. In his welcome address, Dr. Aggarwal pointed out that most of the states follow the liberal democratic model believing it to be the best available alternative. **Professor Geetha Venkataraman** joined the event

Professor Geetha Venkataraman

through ZOOM which was televised to the audience present in the Conference Room. In her lecture on “Mathematics, Science and Society: New Horizons,” she emphasized building an interface between

Mathematics, Pure Sciences, Social Sciences and Humanities to better prepare the students for the life ahead. She brought to the audience the life and work of Ingrid Daubechies and David Donahue to highlight the ways in which Mathematics can contribute to everyday life. Prof. Venkataraman made a very pertinent point about the lack of dialogue between the mathematicians and the general public.

Professor Ujjwal Kumar Singh

delivered the 8th Annual Ramanujan Memorial Lecture on “Scientific Temper, Humanism and The Spirit of Enquiry: Taking Duties Seriously.” Referring to the “Scientific Temper, Humanism and The Spirit of Enquiry” in the Fundamental Duties enshrined in the Constitution

Professor Ujjwal Kumar Singh

of India, he emphasized that

science should have a human face and humanism must be built on science. Prof. Singh outlined the existence of a trust deficit in Science. It is important to question Scientific Knowledge as well. Science without Humanity is one of the seven deadly sins, as mentioned in M.K. Gandhi’s Hind Swaraj. It is imperative to build a correlation between rights and duties. He concluded by saying that developing ‘scientific temper’ is not an individual endeavour but there needs to be a conducive atmosphere in terms of societal culture of cultivating Scientific Temper and making it part and parcel of our everyday life. The Lecture was followed by a lively discussion.

DEPARTMENT OF COMPUTER SCIENCE

Realizing the need to transcend to the online mode, the Department made efforts towards skill development in the usage of ICT tools for imparting education. The trainings began with our own set of teachers from Ramanujan College. Some faculties of our Department took training sessions to equip the participants with usage of tools like Google Classroom and Google Meet to take online classes effectively.

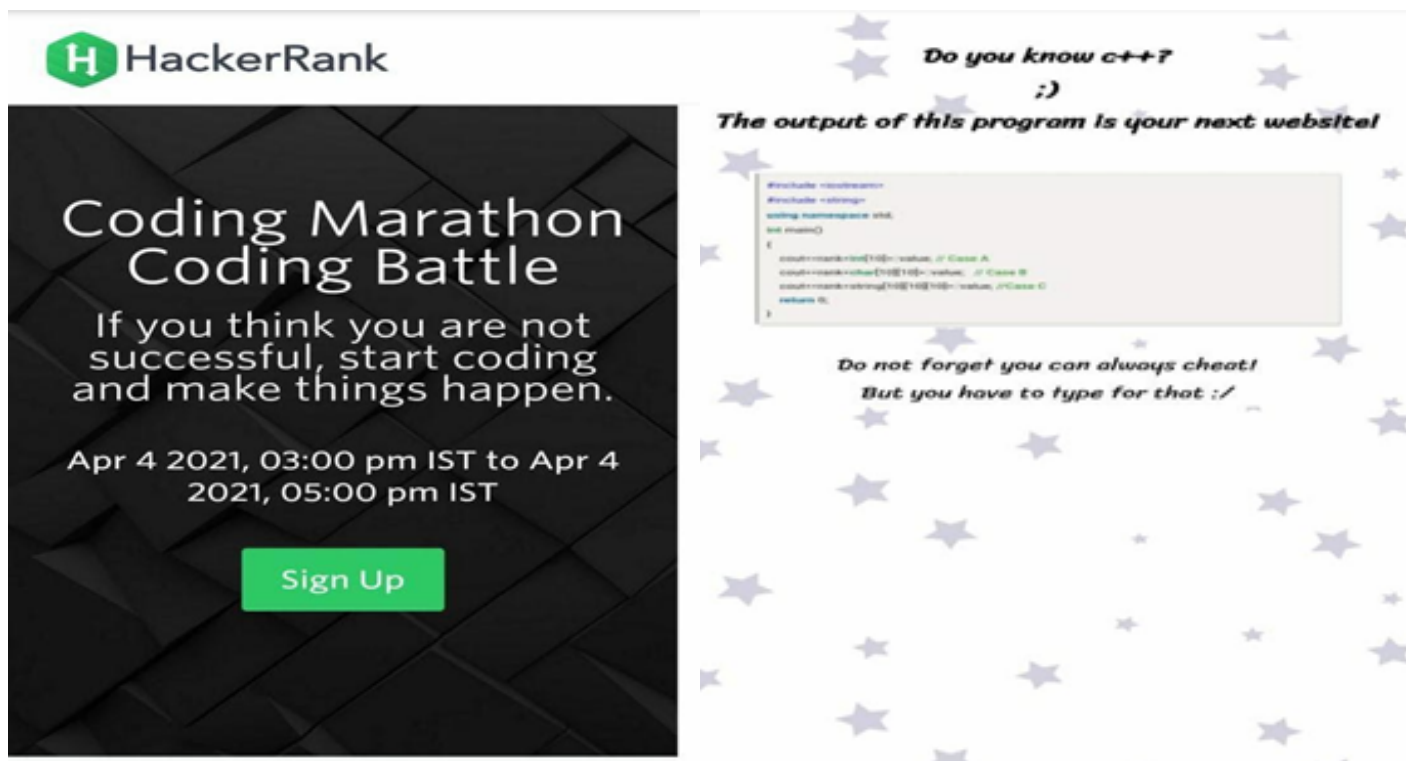

- Understanding the need of the hour, the Departmental then decided to organize such sessions for a larger audience. Towards this motive the Department developed a MOOC platform on OpenEdx to organize faculty development programmes in the domain of usage of ICT Tools in teaching. The programmes were conducted under the prestigious Teaching Learning Centre of Ramanujan College. The faculties also developed a range of e-learning resources for these programmes based on the four quadrant model of MOOCs. Throughout the session, the Department has been engaged in utilizing and enhancing this platform for training lakhs of teachers throughout the country in usage of online tools, research methodology, advanced pedagogical techniques, cyber ethics and faculty induction programmes to name a few.
- The Department developed a blockchain architecture for storing the e-certificates issued to the participants. Many faculties from the Department conducted live hands-on sessions for other reputed institutions in the area of online teaching.

- The year was also marked with the final submission of the two Star Innovation Projects funded by University of Delhi namely Sociovation and Robotics in Healthcare in which some faculties and students from the Department were involved. This included the development of the preliminary version of our web portal sociovation.in and also some research articles in the area of usage of robotics and artificial intelligence in the field of healthcare.

For My Quiksort logo,

I've used Letter "Q" carved up into four pieces depicting the qualities like Learning, Creativity, Collaboration and Communication joined together by a red glowing ring symbolizing the extremum of all the skills getting together and making use of the best of efforts to organize various tech-related events, quizzes, workshops, etc. All these skills are linked together like the roots of a tree, giving fruits of various types of learnings and skills in name of teamwork, knowing people and society, building self-confidence. The orange and pink theme depicts the playful and creative side of the events organized by society. The wave element at the bottom signifies the forthcoming events or occasions, celebrations, and opportunities. And having purple as my background having calm stability of blue and fierce energy of red associated with Royalty.

Logo description

The final outcome of the logo is inspired from two elements. One is the green colored part that is inspired from the circuit board which is the core of every computer functioning. And also, as quiksort focuses mainly on conducting events, competitions, etc.. the hand gesture that is depicted in the logo clearly defines the work of the organization. Not really the work but it shows that you are ready and confident in organizing any sort of events. The font used in the design is a futuristic font and it depicts the long vision of the quiksort.. And the colours used in the logo represents purity and neutrality, being natural, harmony which are all a mandatory characteristics of an organization to work properly.

HISTORY OF RAMANUJAN COLLEGE

Inspired by Srinivasa Aiyangar Ramanujan, one of the world's greatest-ever mathematical genius, the College adheres to the core values of dedication, hard work and commitment as encapsulated in the motto of the University of Delhi – Nistha, Dhriti and Satyam.

Ramanujan College, formerly known as Deshbandhu College (Evening), was established in 1958 by the Ministry of Rehabilitation, Government of India, in the memory of Late Lala Deshbandhu Gupta, a patriot who had dedicated his life to the national freedom struggle. The College is 100% funded by the University Grants Commission (UGC) and has been maintained by the University of Delhi since 1972. The College opened its gate for women students in 1994. In 2010, the Deshbandhu College (Evening) was renamed as the Ramanujan College. The College became a full-fledged day college since 2012.

For the past decade, the college has been on a path of unprecedented growth. With the introduction of many new courses, and a rapidly expanding infrastructure that seeks to provide the latest facilities, the college boldly looks forward to new challenges of the future.
