

UNDERTAKING BY STUDENT OF THIRD YEAR FOR NOT MEETING MINIMUM ATTENDANCE

**To
The Principal
Ramanujan College**

Request for Permission to Appear in Examinations and Undertaking for Meeting Minimum Attendance in the Next Semester

I,(name) _____ student of course _____ semester ____ with college roll number _____ and examination roll number _____. I/My ward am writing to bring to your attention the current state of my attendance, which unfortunately falls below the minimum requirement for the ongoing semester. I/My ward understand the significance of regular attendance in maintaining academic standard, and I/My ward take full responsibility for the lapse in my attendance.

I/My ward am aware of the potential consequences of not meeting the attendance criteria, including being barred from appearing in the current semester's examinations. I/My ward am genuinely committed to rectifying this situation and ensuring that I/My ward meet the attendance requirements in the upcoming semester.

In light of the above, I/My ward humbly request your understanding and seek permission to appear in the examinations for the current semester, despite my attendance falling below the stipulated percentage. I/My ward understand the seriousness of this request and assure you that I/My ward am prepared to take extra measures to cover missed classes and catch up on any academic material I/My ward may have missed.

To demonstrate my commitment to improving my attendance and academic performance, I hereby provide the following undertaking:

1. I/My ward understand the importance of regular attendance as per the college's policy and the potential consequences of not meeting the minimum attendance requirement.
2. I/My ward acknowledge that my current attendance percentage is below the required standard, and I/My ward take full responsibility for this lapse.
3. As I/my ward study in a government-funded college, I/my ward understand that missing classes means wastage of public resources; I/my ward understand that I/my ward have occupied a seat in a regular college, which means I/my ward have blocked a lot of resources; by not attending classes, the resources are not properly utilized by me/my ward, and it would have been judicious that I would have taken admission in the School of Open Learning (SOL) and some other student should have gotten my/my ward seat.

I undertake to attend all lectures, tutorials, practical sessions, and other academic activities diligently during the next semester to have at least an aggregate of 55 % attendance in third year i.e. semester V & VI combined.

I am genuinely remorseful for the current situation and am eager to rectify it by attending maximum classes which will not be less than an aggregate of 55% attendance in third year **i.e.** semester V & VI combined. I sincerely request your consideration of this undertaking and the granting of permission to appear in the examinations for the current semester.

Thank you for your understanding and consideration

Sincerely,
