# ABOUT COLLEGE

Ramanujan College, established in 1958 as an evening college, is a premier institution of the University of Delhi. It is accredited with Grade “A++” by the National Assessment and Accreditation Council and was honoured with the PRITHVI AWARDS 2024 at the Global ESG Conference for its contributions to society.

The college offers 16 undergraduate programmes and a range of diploma, certificate, and executive courses focused on skill development and sustainability, including online ESG literacy programmes. It houses the Research Development and Services Cell under the Ministry of Education.

Additionally, it serves as a study centre for School of Open Learning, Non-Collegiate Women Education Board, and Indira Gandhi National Open University, and actively collaborates with national and international institutions, including initiatives like the Vidya Vistar Scheme.

# ABOUT CONFERENCE

Research methodology plays a crucial role in shaping the quality, reliability, and impact of academic inquiry. In the contemporary academic landscape, interdisciplinary research and methodological innovation have become essential for addressing complex global challenges.

The International Multidisciplinary Conference on “Research Methodology: Knowledge and Discipline” aims to provide a vibrant platform for scholars, researchers, and students to share insights, discuss innovative research approaches, and exchange ideas across diverse disciplines.

The conference seeks to encourage dialogue on methodological practices, research design, data analysis techniques, and ethical considerations in research. It also aims to foster collaboration among researchers from different academic backgrounds.

Participants will have the opportunity to present their research work, engage in scholarly discussions, and contribute to the advancement of knowledge.
