Release of First Phase for Star Innovative Projects

1 message

Director CIC <director@cic.du.ac.in>

To: "ramanujancollege2010@gmail.com" <ramanujancollege2010@gmail.com>

Dr. S P Aggarwal Principal Ramanujan College University of Delhi

Dear Dr. Aggarwal,

We are happy to learn that the first phase of Rs. 62,44,000.00 has been released for the following approved projects under the Star Innovative Project Scheme to your college:

- 1. A Study of Lifestyle and Health (Physical & Mental) Related Problems among Adolescents
- 2. Reliable Data of the Real World for Innovation
- 3. Taking the work of Ramanujan to the next level: An Innovation Project in Cryptography 4. Robotics in Healthcare
- 5. Sociovation

As you are aware, the reworked total budget that your college submitted exceeded the approved budget by Rs. 12.52 lakhs. The allocated amount for your college is Rs. 87.5 lakhs. This amount will be adjusted against the second and third phase release.

It is imperative that the budget be used as per the break-up submitted in the individual projects that were approved. Any re-allocation will require a review and sanction from a competent authority at the University. As specified in the Star Innovative Project Guidelines already shared with you, each project will be reviewed every six months. It is therefore advised that the project holders be prepared to make the first detailed presentation on the progress of their individual projects before the Review Committee in September, 2016. The Review Committee will decide whether the progress is satisfactory, and if found necessary, offer guidance to steer the project on track. The subsequent release of the second phase of the budget will depend on these regular six-monthly reviews.
